SECTION I
REGULATIONS FOR THE ORGANISATION OF ITF SENIORS TOUR TOURNAMENTS AND
THE YOUNG SENIORS/SENIORS/SUPER-SENIORS WORLD INDIVIDUAL
CHAMPIONSHIPS

The following Regulations apply to all Seniors Tournaments in Grades 100, 200, 400, 700 & 1000, with some exceptions to National Closed Championships, as well as the Young Seniors/Seniors/Super-Seniors World Team Championships and other international team competitions. These exceptions are given in Section II (ITF Young Seniors/Seniors/Super-Seniors World Team Championships), together with additional clauses in Appendix I for National Closed Championships.

For all other Seniors Tournaments without an ITF sanction, whether listed in the Seniors Calendar or not these Regulations are to be regarded as guidelines to be followed in order to achieve desirable standards and uniformity for the benefit of Seniors players worldwide.

These Regulations are subject to change during the 2022 edition of the ITF Seniors Tour with the introduction of the ITF World Tennis Number as a global rating applicable to ITF tournaments. Upon incorporation into these Regulations, the ITF World Tennis Number may be relied on for the purposes of entry to and seeding at ITF Seniors Tour tournaments.

I. THE COMPETITION

1. Title

The Competition, an international singles, doubles, and mixed doubles competition, shall be called the “ITF Seniors Tour”.

2. Mission Statement

The ITF’s Mission is to make Seniors Tennis the leading sport in terms of player participation.

3. Ownership

The Competition shall be owned and managed by ITF Limited, hereinafter referred to as the “ITF”.

Ownership shall include, but not be limited to, the following national and international rights: registered trademarks of the ITF; commercial exploitation of the event; television and radio, film and video recordings; plus, new media and internet coverage. In the case of the Young Seniors/Seniors/Super-Seniors World Individual Championships, which are

conducted by and under the direction and control of the International Tennis Federation, the Board of Directors may assign all or any rights to the host nation in accordance with detailed guidelines issued by the ITF consistent with these regulations.

4. Players Eligible

Only players who are under the jurisdiction of a national tennis association affiliated to the ITF may compete in any of the tournaments that comprise the 2022 ITF Seniors Tour. They must be in “good standing” with their national association as defined in Appendix V of the ITF Seniors Regulations.

All tournaments shall be open to all eligible players of the appropriate age group, except National Closed Championships that may apply alternative criteria for acceptance as stated in Appendix I.

5. International Player Identification number (IPIN)

In order to enter ITF Seniors Tour tournaments, players must have registered for a Seniors IPIN membership. All players entering ITF Seniors Tour tournaments agree, as a condition of their entry, to accept the related terms and conditions.

Players cannot compete and earn ranking points until IPIN registration is complete. A player will not earn ranking points from any tournament where IPIN and/or entry fees are outstanding.

Notwithstanding any other provision of these Regulations, the ITF has the absolute right to refuse to accept or revoke any player’s entry to any ITF Senior Tour tournament(s). The ITF may exercise that right as it sees fit, with or without providing reasons.

- (a) to manage the Tour;
- (b) to recommend changes to and to ensure the uniform application of these Rules and Regulations and the Code of Conduct;
- (c) to administer the funds of the Tour within the financial framework of the ITF;
- (d) to report to the Board of Directors on all financial matters;
- (e) to submit regular reports to the Board of Directors; and
- (f) to approve events for all ITF Senior Competitions and to select the dates and venues for each of those events.

III. RULES OF THE TOUR

12. Tournament Application and Approval

For the purposes of these Regulations, **Applicant** means any sanctioning National Association and/or the Tournament Organiser awarded a one (1) year sanction on the ITF Seniors Tour.

Applications for inclusion in the Tour, giving full details of new or existing tournaments, are to be sent to the ITF, or as otherwise directed by the ITF, in accordance to the following:

a) Completed tournament applications must be submitted to the ITF Seniors department in line with the following deadline unless otherwise communicated to National Associations:

- Grade 1000 – 16 weeks before the tournament start date;
- Grade 400 & 700 – 12 weeks before the tournament start date;
- Grade 100 & 200 – 8 weeks before the tournament start date.

Tournament applications may be rejected if they are submitted after the deadline. The ITF reserves the right to downgrade a tournament application up to the entry deadline based upon a review of travel restrictions and accessibility into the city/nation. This is based on the number of players who can access and play the tournament.

b) Only tournaments sanctioned by the host National Association concerned will be considered for inclusion.

c) All tournaments awarded ITF status will start at Grade 100 level in their first year on the Tour. In exceptional cases, a tournament may begin at Grade 200 or Grade 400 subject to approval of the ITF. When considering whether an exception should be made, the ITF shall have regard to previous experience of the Tournament Organisers and/or Venue in hosting any ITF tournaments or events, and the balance of grades within the nation and region.

d) The ITF reserves the right to refuse approval of or cancel any previously sanctioned Tournament or series of Tournaments for reasons of health, safety, security or any other potential threat to any persons attending the Tournament(s) or to the successful running of the Tournament(s). The ITF bears no liability to any Applicant, Tournament Organiser, Host, National Association, player, Related Person, Covered Person or any other person or entity for any loss incurred as a result of a delayed, rescheduled, postponed or cancelled Tournament. For the avoidance of doubt, neither the ITF or the Applicant shall be liable to any player, Related Person, Tournament Participant or any other persons or entities for any costs that they might have incurred in relation to such

delayed, rescheduled, postponed or cancelled Tournaments, including, without limitation, any travel, transport and/or accommodation costs. This decision (to refuse approval of or cancel any Tournament) will be made on behalf of the ITF by the ITF Seniors Committee, or by the ITF Executive if the Committee so delegates its decision-making power, and may be appealed by the Applicant only, to the Independent Tribunal.

e) If a tournament is included in the calendar and subsequently withdraws within 15 weeks of the scheduled first day of play, that tournament shall be subject to the Tournament Offences provision as set out in Article VI of the Code of Conduct.

These tournaments must still pay the full amount of the sanction fee, as outlined in Section I, Regulation 14 below.

f) Application to host the Young Seniors/Seniors/Super-Seniors World Team and Individual Championships:

Any National Association wishing to stage the above Events shall submit its application in writing on the approved form provided by the ITF. Applications to host in 2023 must be submitted to the ITF Seniors department by 28 March 2022.

National Associations may submit a joint bid with other National Associations to stage the Competition.

The ITF will only consider bids offering to host both the ITF Young Seniors/Seniors/Super-Seniors World Team Championships and the ITF Young Seniors/Seniors/Super-Seniors World Individual Championships in the same year, in two consecutive weeks.

13. Insurance

The Applicant is responsible for taking out a suitable insurance policy which is compliant with local laws and regulations and which insures against claims made for damage to property and for death/injury caused to people at the event for which the applicant is legally liable. "ITF Ltd" and "ITF Licensing (UK) Ltd" must be named in the policy and on the certificate of insurance, and a copy should be provided to the ITF on request.

The Applicant is encouraged to take out those insurance policies that safeguard against employer's liability, business interruption and personal injury as well as any other appropriate insurance policies recognised under local law. In addition, it is strongly recommended that the Applicant obtain and maintain event cancellation and abandonment insurance which insures against all reasonably known financial risks

arising from the rescheduling, cancellation and/or abandonment in whole or in part of a Tournament due to force majeure.

14. Sanction Fees

All tournaments on the ITF Seniors Tour must pay the relevant fee below in order to be included on the Calendar. All fees listed are in US Dollars (USD).

Grade 1000	\$1000
Grade 700	\$850
Grade 400	\$600
Grade 200	\$375
Grade 100	\$250*

**The amount of \$250 shall only be charged if a Grade 100 Tournament has 100 or more players in the Tournament and/or 5+ age and gender events. Tournaments with less than 100 total players and who stage 4 or less age and gender events shall pay a sanction fee of \$50 per age and gender that is staged.*

Sanction fees for Team events will apply and will be agreed between the ITF and the host nation and/or region in advance of the event depending on duration and size of the event.

Approval to sanction a tournament on the ITF Seniors Tour may be subject to conditions imposed by the ITF in its discretion.

15. ITF Responsibilities

The ITF is responsible for the overall administration of the Tour and shall do its utmost to ensure that the calendar is widely publicised.

The ITF shall process results from all the tournaments on the Seniors Tour and shall issue on a weekly basis latest world individual ranking points for singles, doubles and mixed doubles accumulated by players. These shall be published on the ITF Seniors website: www.itftennis.com/seniors

16. Tournament Responsibilities

All tournaments must be played in accordance with these Regulations, the Seniors Tour Code of Conduct, the Constitution of the ITF Limited and the ITF Rules of Tennis. See also Section I, Chapter V, Organisational Requirements.

17. Insurance

Each player is responsible for ensuring that he/she (as well as any accompanying person) is fully and adequately covered by medical and travel insurance for the purposes of attending and participating in ITF Seniors Tour events and ITF Young Seniors, Seniors & Super-Seniors World Individual Championships. The ITF Ltd, the host association and the host site cannot accept any liability for any participant or visitor in this respect.

18. Tournament Grading

There are six (6) tournament grades. The entry level tournament grade is 100, followed by 200, 400, 700, 1000 and World Championships. Tournaments awarded the 1000 grade must not overlap event dates with the World Team & Individual Championships for the corresponding age group(s).

700 grade tournaments must not overlap event dates with 1000 grade tournament in the same region, unless approved by the ITF and where in its discretion there is a sufficiently large distance between the two tournament locations.

100 and 200 grade tournaments may only take place in the same nation and same tournament week where in the ITF's discretion there is a reasonable distance between the two tournament locations, and if approved by the National Association and ITF.

Tournaments shall be graded according to four factors:

1. A tournament's ITF Tournament Evaluation Score. This score is based on the combined ranking points of players playing in each event draw at the tournament in the previous 2 years;
2. Tournament Director Reports and Referee Reports submitted for the tournament in the previous year;
3. ITF Player Feedback Surveys from the previous year / previous year(s);
4. The need for global, regional and national spread of tournaments, in line with the ITF Seniors pyramid structure.

The ITF Seniors Department will review grading twice per year, either on application by the Tournament or of its own volition. The ITF will communicate the process and deadlines for submission of grading applications to National Associations in advance.

19. Method of Ranking

To be ranked on the ITF Seniors World Individual ranking in singles, doubles and/or mixed doubles a player must have registered for a valid IPIN membership. Players must have paid their entry fee and IPIN fees to receive ranking points from any tournament.

A player may in a year, but not during one ITF Seniors Tour tournament play in more than one singles age group and therefore may appear in more than one singles age group ranking.

A player may in the course of a year, and during an ITF Seniors Tour tournament play in more than one doubles or mixed doubles age group, if permitted by the tournament. Ranking points from the event in which the player reached the furthest round will be awarded to their actual age group and therefore players will only appear in one doubles/mixed doubles age group for ranking purposes.

To be ranked in singles, doubles and mixed doubles a player must reach a round where points are available (see points table in Section I, Regulation 21 below). The number of points available will vary dependent upon the grading of the tournament and the round reached.

An extended rankings period is in place until 29 August 2022, at which time the ITF Seniors Rankings will return to a 52-week ranking.

Points earned from 18 March 2019 to 31 August 2020 are extended in line with the following:

<u>Points earned from 18 March 2019 to 2 September 2019</u>	<u>Points earned from 9 September 2019 to 16 March 2020</u>	<u>Points earned from 7 September 2020 onwards</u>
<u>Points earned in this period will drop on a weekly basis between 14 March 2022 - 29 August 2022</u>	<u>Points earned in this period will drop on a weekly basis between 6 September 2021 - 14 March 2022</u>	<u>Points earned from 7 September 2020 will drop after 52 weeks.</u>
<u>Points remain countable for 3 years (156 weeks)</u>	<u>Points remain countable for 2 years (104 weeks)</u>	<u>Points earned drop after 52 weeks</u>

- Between January-March 2022, players will lose points earned between January-March in 2020 & 2021. For example, points earned on 6 January 2020 and 4 January 2021 will drop on 3 January 2022.
- Results from World Championships, 1000, 700 & 400 tournaments will be counted a maximum of once within a player’s best 4 results during the extended rankings period, i.e., double counting of the same tournament is not permitted. If a player competes in the same tournament on multiple occasions within the extended period, the best result will be counted.

- Points earned from the 2021 World Championships (Young Seniors, Seniors and Super-Seniors) will be the only edition included in the rankings calculation. These will be replaced in 2022 when then next edition takes place.
- From 29 August 2022 onwards, only points earned in the previous 52 weeks will remain countable.

At any given time, only the latest Grade 1000, ITF Young Seniors, Seniors and Super-Seniors World Individual and Team Championships (1000, WC & C) will count for ranking purposes. This may lead to the points from a previous year's grade 1000, WC or C event not being included in a player's ranking for the entire 52 weeks or the points staying in the player's ranking longer than 52 weeks depending on the dates of the respective tournaments in the calendar.

Rankings are published each Monday and will include results from tournaments that have completed up to and including the previous Sunday. Tournaments that complete on Monday, based on local time zone, shall be processed for Rankings published the following week.

The best four singles results in ITF Seniors Tour Tournaments in Grades 100, 200, 400, 700, 1000 and WC, and sanctioned ITF Seniors Team Competitions and will be counted for the Singles World Individual Ranking.

The best four doubles results in ITF Seniors Tour Tournaments in Grades 100, 200, 400, 700, 1000 and WC, and sanctioned ITF Seniors Team Competitions will be counted for the Doubles World Individual Ranking.

The best four mixed doubles results in ITF Seniors Tour Tournaments in Grades 100, 200, 400, 700, 1000 and WC, and sanctioned ITF Seniors Team Competitions will be counted for the Mixed Doubles World Individual Ranking.

If two or more players receive the same number of points, their ranking will follow the number of points they earned in Grade WC tournaments, if these feature among the players' best four results. If two or more players are still equal, their ranking will follow the number of points they earned in Grade 1000 tournaments, if these feature among the players' best four results. If two or more players are still equal, their ranking will follow the number of points they earned in Grade 700 tournaments and so on down to Grade 100 tournaments, excluding (Team Competitions).

When players qualify for a new age group, they shall carry over all ranking points to the new age group, so that those ranking points are included in their 'Own Age Group' (OAG) ranking points. These players shall be marked as "bis" on all ranking lists. "Bis" will

continue to be displayed until points won in the previous age group no longer count towards the player's ranking.

Ranking points earned by a player in their previous qualified age group at the most recent edition of the World Individual Championships will remain countable until the week after the World Individual Championships of their current age group has taken place. Therefore, a player who has moved up to the 60+ age group in the current year will retain ranking points earned in the 55+ age group from the previous edition of the World Individual Championships, until the 60+ World Individual Championships takes place in the current year.

20. Allocation of Points

World Individual Ranking points for singles, doubles and mixed doubles will be awarded as set out in the points table in Section I, Regulation 21 below.

- i) Points shall be awarded for main draw singles, doubles and mixed doubles events and singles consolation events. Only at World Individual Championships (WC), Grade 1000 and Grade 700 tournaments, will points be awarded in singles qualifying events.
- ii) A player will earn 1 ranking point if he/she loses their first match in the main draw. A greater value of points will only be awarded to a player who has won at least one round in either the main draw, qualifying or consolation draw. A walkover will be counted as a match won. The player receiving the walkover will not receive points for the following round if they withdraw before playing the next match.
- iii) Should a player win ranking points in more than one (1) doubles or mixed doubles events at the same tournament, he/she will receive ranking points for the event in which the player reached the furthest round.
- iv) In knock-out draws, if a tournament is abandoned, players will receive points for the round reached up to that point. In round robin draws, players will receive a percentage (%) of points available depending on the number of matches won, and the ranking points awarded to the winner of the event. E.g., if a player is in a round robin group of 5 players and has played and won 2 out of 4 scheduled matches, she/he will earn 50% of the ranking points that would be awarded to the winner of the event.
- v) Should any age group be amalgamated with a lower age group, and players in the former are obliged to play down, then those players shall be awarded points in their own age group.
- vi) Should a tournament not offer a specific age group and a player of that age group participate in a lower age group, this player shall be awarded points in

his/her own age group. In Singles, this does not apply to players who deliberately enter a lower age group in a tournament where their own age group is offered. Any player who leaves a tournament prior to his/her elimination from all entered events or retires from a tournament without a valid medical certificate (from the official Tournament Doctor or Sports Physiotherapist), will forfeit all ranking points won in all events at that tournament. The player shall also be subject to additional penalties under Section III, Code of Conduct.

23. One tournament

Once a player is committed to an ITF Seniors Tour tournament, he/she may not enter or compete in any other tournament for which the tournament event dates overlap. It is the player's responsibility to manage his/her entries.

Violation of this section shall subject the player to penalties under Section III, Article II, A.(3) in the Code of Conduct.

24. Number of events per week

At all ITF Seniors Tour tournament and World Individual Championships, a player may enter a maximum of three (3) events.

A player may compete in one (1) Singles event only either in his /her own age group or in a younger age group.

25. Tournament Types

There are three (3) tournament types:

- **Type 1A:** Singles entries close at the Entry Deadline. Doubles entries are possible online and on-site. On-site entries close at a Doubles Sign-in Deadline defined by the tournament.

26. Entry and Withdrawal Procedures

ITF Seniors Tour tournaments (Grade 100, 200, 400, 700, 1000 and WC) and the ITF Young Seniors/Seniors/Super-Seniors World Team Championships events are open for players from all countries affiliated to ITF, provided they fulfil the IPIN and Age Eligibility rules as set out in the regulations. National Closed Championships may apply their own criteria for acceptances, as per Appendix I.

To be eligible to participate in any age group, a player shall have reached the minimum age limit by 31st December of the year in which the competition is held.

- i) All Singles entries and withdrawals are made online at www.itftennis.com/ipin, or in exceptional circumstances by email, to ITF Seniors Department using the official Entry Form or Withdrawal Form.
- ii) Withdrawals after the withdrawal deadline must be made to the tournament referee using the official form. Entries and Withdrawals submitted on the official forms must be signed by the player and must be fully completed.

At the entry deadline a player's entry is confirmed and he/she may not compete in any other age group event unless age groups are amalgamated by the organisers in accordance with Section I, Regulation 44.

A player applying for entry shall be deemed to apply for entry into Main Draw or Qualifying of the tournament.

ii) A player may enter a maximum of three (3) Doubles and/or Mixed Doubles events. However, if a player chooses to enter one (1) Singles event, he/she may compete in a maximum of two (2) Doubles and/or Mixed Doubles events. A player may enter without a partner but this entry will be deemed incomplete until a partnership is confirmed. A player may enter in a Doubles event of a lower age group. Doubles teams may consist of players from different nations. For the World Championships, please refer to the

official Fact Sheet for confirmation of number of Doubles/Mixed Doubles events permitted.

iii) The Entry Deadline is at 10.00 GMT on the Tuesday six (6) days prior to the Monday of the Tournament week. The withdrawal deadline for the World Individual Championships shall be 10.00 GMT on the Monday seven (7) days prior to the Monday of the Tournament week.

Each tournament entry (whether for Singles or Doubles or both) must be accompanied by a USD \$6 IPIN fee (“**Tournament IPIN Fee**”). Such IPIN Entry Fee will be fully refunded to a player that withdraws from the Tournament prior to the Withdrawal Deadline. The Tournament IPIN Fee will not be refunded to any player that withdraws from the tournament after the Withdrawal Deadline.

A Tournament Organiser may choose to extend the Doubles/ Mixed Doubles Entry Deadline by holding a sign-in on-site, details of which shall be published in the official Fact Sheet. Doubles teams that fully completed their entry online, are not required to reconfirm by signing in. If there are changes to an entered doubles team, the players must inform the Referee before the sign-in deadline of such change.

It is the player’s responsibility to check the correct Entry Deadline on the official tournament Fact Sheet published within the IPIN online service. It is also a player’s responsibility to check that any online entry made has gone through, that payment of the IPIN Entry Fee has been received by the ITF and that they have received a confirmation email.

iv) The Withdrawal Deadline for all tournament grades (100, 200, 400, 700 and 1000) is at 10.00 GMT on the Tuesday six (6) days prior to the Monday of the Tournament week – the same as the entry deadline. The withdrawal deadline for the World Individual Championships shall be 10.00 GMT on the Monday seven (7) days prior to the Monday of the Tournament week.

Players accepted into a Main Draw or Qualifying Acceptance list at the Withdrawal Deadline are deemed to be committed to play the event and subject to the entry offences and accompanying penalties set out in the Code of Conduct.

Any withdrawal made after the Withdrawal Deadline will be considered a Late Withdrawal. A player’s first Late Withdrawal offence within a calendar year will be excused* and the player will not be penalised, providing the withdrawal is made using the player’s IPIN online account prior to the draw being published. All Withdrawals after the draw has been made will be subject to penalties set out in the Code of Conduct.

*(*An excused withdrawal is valid for two consecutive tournament weeks provided the player withdraws, as above, and notifies the ITF about the second week's late withdrawal by the last day of the first tournament withdrawn from).*

It is not necessary to provide a medical certificate in case of a Late Withdrawal.

A player who wishes to withdraw after the Withdrawal Deadline must withdraw online using the player's IPIN online service. Failure to withdraw will be subject to the penalties provided for a No-Show entry offence in the Code of Conduct at Section III. Only in exceptional circumstances, the Official Withdrawal Form may be sent by email to the Referee by the applicable deadline. Entry and withdrawal forms submitted by email must be signed by the player and be fully completed.

27. Criteria for Acceptance

i. Singles

For singles, following the Entry Deadline, all entered players are listed in ranking order according to the ITF Seniors World Individual Singles Ranking using the latest rankings at the time of the Entry Deadline. Tied players (with the same number of ranking points) will be randomised by the entry system.

Players without ITF Seniors World Individual Singles Ranking will be positioned according to the following criteria:

- Firstly, unranked players from outside the tournament zone will be drawn at random into positions.
- Secondly, unranked players from outside the tournament region will be drawn at random into positions.
- Thirdly, unranked players from the tournament region including the unranked players from the host country will be drawn at random into positions.

Zones and Regions are defined as follows:

Regions: (Asia) (Oceania) (Europe) (Africa) (South America) (Central America) (North America)

Zones: (Asia/Oceania) (Euro/Africa) (The Americas)

ii. Recalculated Own Age Group (OAG) points

For acceptance purposes, a player that enters a Singles event in a lower age group than his/her own shall have his/her ITF Seniors World Individual ranking points recalculated as follows:

A player playing down 1 age group: 30% deduction from their OAG ranking points
A player playing down 2 age groups: 60% deduction from their OAG ranking points
A player playing down 3 age groups: 90% deduction from their OAG ranking points
A player playing down 4 age groups or more: 100 % deduction from their OAG group ranking points

This total shall be known as recalculated OAG (own age group) points.

When Singles events are amalgamated, recalculated OAG points shall be used as required to establish the Acceptance List.

For the purpose of acceptance, a player that is ranked in more than one age group on the ITF Seniors World Individual Singles Rankings, will always use the ITF Seniors Singles World Individual Ranking points of his/her own age group.

iii. Draw Size and Acceptance

Proposed draw sizes must be submitted to the ITF through the Tournament Fact Sheet process and be made available to players prior to the Entry Deadline. Immediately following the Entry Deadline, the Tournament Organiser must decide the following for each event:

- Whether all entered players can be accepted as Direct Acceptances (DA) into the Main Draw;
 - o In the event that not all entered players can be accepted as Direct Acceptances, the Tournament Organiser must inform the ITF office of the number of players that will be accepted into the Main Draw of each event.
 - o Players not accepted as Direct Acceptances into the Main Draw will be given Qualifying Acceptance (QA) status. If no Qualifying event is to be played, then those players are to be given Alternate (ALT) status.

- Whether any age group events are to be amalgamated and so inform the ITF office. See Section I, Regulation 44 for the ITF recommendations for amalgamation of draws.

Should the Tournament Organiser fail to contact the ITF before, or immediately after the Entry Deadline, the decisions above will be taken by the ITF.

iv. Doubles

Teams are selected according to the following method:

- Teams composed of two ranked players in either the ITF Seniors World Individual Singles Ranking or the ITF Seniors World Individual Doubles/Mixed Doubles Ranking (depending on event as applicable). The combined ranking points of the

two players (using best of singles or doubles ranking) shall be added together and the total used to determine the direct acceptances.

- Teams composed of one player in either the ITF Seniors World Individual Singles Ranking or the ITF Seniors World Individual Doubles/Mixed Doubles Ranking (depending on event as applicable) and one unranked player. The ranking points of the ranked player (using best singles or doubles ranking) shall be used to determine the direct acceptances.
- Teams composed of players, neither of them have a ITF Seniors World Individual Singles Ranking or ITF Seniors World Individual Doubles/Mixed Doubles Ranking (depending on event as applicable) - Such teams will be drawn by lot.

If two or more teams are tied within any of these combinations, the order shall be drawn by lot.

For the purpose of the above selection method, the ITF Seniors World Individual Singles ranking points of the player's own age group (OAG) shall be used.

A team of two ranked players will always be accepted ahead of a team where only one player is ranked, even if the latter have higher ranking points.

For Doubles Draws with additional on-site doubles entries (Tournament Types 1A,1C), acceptance rankings are based on the latest available ITF Seniors World Individual Singles and Doubles/Mixed Doubles Rankings at the Entry/Withdrawal Deadline.

When a doubles team enters a lower age group event, or when one of the partners in a doubles team is from a higher age group, for acceptance purposes the following percentage is deducted from their ranking points:

- Players playing down 1 age group: 30 % deduction from their own age group ranking points
- Players playing down 2 age groups: 60 % deduction from their own age group ranking points
- Players playing down 3 age groups: 90 % deduction from their own age group ranking points
- Players playing down 4 age groups and more: 100 % deduction from their own age group ranking points

For acceptance purposes, a player that holds a Singles ranking in more than one age group will always be listed in the tournament with Singles ranking of his/her own age group (OAG).

v. Draw Size and Acceptance

Immediately following the Entry Deadline, the Tournament Organiser must decide the following for each event:

For 1B tournaments:

- Whether all entered doubles and mixed Doubles teams can be accepted as Direct Acceptances (DA) into the doubles and mixed doubles draws of the respective age categories.
- Decide if any age group doubles event is to be amalgamated and what age group range the amalgamated categories will include.

For 1A and 1C tournaments:

- The Tournament Organiser shall decide if any age group doubles event is to be amalgamated and what age group range the amalgamated categories will include at the doubles sign-in deadline.

28. Composition of draws

Depending on the draw size, events are composed as follows:

Singles Main Draw

Position	8 draw	16 draw	24 draw	32 draw	48 draw	64 draw	96 draw	128 draw
DA	6	14	22	22 (30)	38 (46)	54 (62)	86 (94)	118 (126)
Q	N/A	N/A	N/A	8	8	8	8	8

The DA number in brackets applies to events where Q positions are not used because no Qualifying event is played.

At the discretion of the tournament director and/or Referee and prior to the draw being made, all tournaments may accept an unlimited number of non-seeded players (in accordance with their ranking as at the tournament entry deadline) as late entries to fill empty spaces within a draw (draw size as published on the tournament fact sheet on the ITF website).

A Singles Qualifying Draw may never be larger than the Main Draw. For Singles Main Draws of 24 players or less, no Qualifying Draw may be held.

Doubles

Doubles draws are composed as follows:

Draw size	8 teams	12 teams	16 teams	24 teams	32 teams	48 teams	64 teams
DA	6	10	14	22	30	46	62

There are no Doubles Qualifying draws.

29. Publication of Acceptance lists

The Singles Acceptance Lists are published on www.itftennis.com/seniors one hour after the entry deadline.

For 1B tournament Doubles events, an Alphabetical Entry List, including incomplete doubles entries, will be published one hour after the Entry Deadline.

30. Administrative error on an Acceptance list

If an administrative error is made on a tournament Acceptance list and a player is not included or too many players are accepted into the tournament, the Acceptance list will be corrected at the earliest opportunity, up until the point that the draw is published in accordance with the criteria for acceptances.

31. Entry Definitions

A player's status in a tournament shall not be official until the Entry Deadline and publication of the tournament Acceptance List on the ITF website. Any arrangement, including travel, flights and accommodation made by a player (for themselves and/or their support personnel) to participate in a tournament prior thereto is made at his/her own risk.

Players who don't fulfil the entry fee payment obligation to the tournament they entered as specified on the official ITF Fact Sheet on the ITF Seniors website at www.itftennis.com/seniors may be denied participation by the Tournament Organiser.

Direct Acceptances (DA)

If there is no Qualifying event, Alternates shall fill any vacant places in the Singles Main Draw, in accordance with their position on the Acceptance List. For vacancies that occur after the Order of Play has been released for the first day of play, the selection shall be made from the players who have signed-in for each day as applicable.

Wild Cards (WC)

At the entry deadline, up to two (2) entered players per event may be directly included in the qualifying and/or main draw as a Wild Card at the sole discretion of the Tournament Committee. Wild cards must not be seeded players at 700, 1000 or WC grade tournaments (in accordance with their ranking as at the tournament entry deadline and acceptance into the tournament). Main draw wild card requests, including tournaments with on-site doubles sign-in, must be submitted to the Tournament Director and Referee by the entry deadline. Wild cards who withdraw cannot be replaced with new wild cards before the draw is made.

Players and tournaments shall retain written confirmation of the offer and acceptance of a wild card. Players and tournaments may not offer and/or receive any compensation for receiving or awarding a wild card, pursuant to Section III, Code of Conduct. Acceptance of the offer of a wild card constitutes a player's commitment to the tournament.

No player who has signed in for and been accepted into the Qualifying of the tournament may be named as a wild card after the Qualifying Competition has commenced.

Late Entries

Late entries may be added to a draw after the entry deadline at the discretion of the Referee. Late entries must not be seeded (in accordance with their ranking as at the tournament entry deadline) and only to fill empty spaces within a draw (draw size as published on the tournament fact sheet on the ITF website). Any late entry requests may be declined by the Referee if received less than 24 hours before the draw is made. Events within 100, 200 or 400 grade tournaments consisting of 7 or less players/pairs may accept late entries from seeded players at the discretion of the organising committee.

If it is determined that a player knowingly enters a tournament as a late entry when she/he otherwise would have been seeded, the ITF Senior Executive Director of Tours & Player Pathway may remove any ranking points earned by that late entry player if it considers it fair and reasonable to do so. The decision of the ITF Senior Executive Director of Tours & Player Pathway to remove any ranking points earned may be appealed by the late entry player to the ITF Internal Adjudication Panel in accordance with its Procedural Rules.

For a draw-size of 8 - 32 - up to 2

38. Placing the Seeds/Method of Draw

(a) Procedure for placing seeds for main and consolation draws

Distribution of players from the same nation

Seeded players from the same nation shall be distributed throughout the draw based on the seeding order of merit.

For doubles, only teams where both players are from the same nation are considered for such distribution.

Seeded players from the same country shall be distributed as follows:

- No. 1-2 seeds shall be drawn to different halves of the draw.
- No. 3-4 seeds shall be drawn to different quarters of the draw, not previously occupied by another player/team from that nation.
- No. 5-8 seeds shall be drawn to different eights (1/8th) of the draw, not previously occupied by another player/team from that nation.
- No. 9-16 seeds shall be drawn to different sixteenths (1/16th) of the draw, not previously occupied by another player/team from that nation.
- No. 17-32 seeds shall be drawn to different thirty-seconds (1/32nd) of the draw, not previously occupied by another player/team from that nation.

The remaining players from a nation shall be distributed as much as technically possible across the draw without regard to ranking.

If there is an insufficient number of players to fill all the positions in the draw, byes shall be awarded to seeded players in descending order. Any further byes shall then be drawn by lot.

(b) Procedure for placing seeds for Qualifying Draw

The Qualifying draw shall be made in sections, and the winner of each section shall be given a place in the main draw.

If four (4) qualifiers are required, there shall be four (4) sections; if eight (8) qualifiers are required, there shall be eight (8) sections; and this principle followed for greater number of qualifying positions in the main draw. Each section shall have two seeded players.

- For a draw with 8 sections: 16 seeds

The first seed shall be placed at the top of the first section, the second seed shall be placed at the top of the second section and so on until all sections have one (1) seed on the top line of each section. The remaining seeds shall be drawn as one group. The first drawn shall be placed on the bottom line of the first section, the second drawn shall be placed on the bottom line of the second section and so on until all sections have one (1) seed on the bottom line of each section.

If there is an insufficient number of ranked players to fill all the positions for seeds in the draw, the section(s) with the highest seeds shall not have a second seeded player. There are no exempt seeds in qualifying.

If there is an insufficient number of players to fill all the positions in the draw, byes shall be awarded to seeded players in descending order.

Distribution of players from the same nation

Seeded players from the same nation shall be distributed throughout the draw based on the seeding order of merit.

Seeded players shall be distributed as follows:

- The top group of seeded players (corresponding to the number of sections in the draw) from one country shall be drawn to different sections of the draw.
- The next group of seeded players (corresponding to the number of sections in the draw) from one country shall be drawn to different sections of the draw.

The remaining players from a nation shall be distributed as much as technically possible across the sections without regard to ranking.

39. Withdrawal of Seeds

If a seeded player/pair withdraws before the event has started, the selection of seeds may be revised to fill the vacancy only if reasonably practicable. Where so revised, seed amendments should cascade as set out below:

Seed Withdrawing	Replacement Seed
1	2
2	3
3 or 4	5
5 to 8	9
9 to 16	17
17 to 32	33

For example, if the number 2 seed withdraws, the vacant position on the draw will be filled by the number 3 seed. In turn, the number 3 seed position will be filled by the number 5 seed, and the number 5 seed position filled by the number 9 seed, and so on.

If an unseeded player/pair withdraws, and there are no alternates, the highest seed remaining who has an opponent shall receive a bye. The previous opponent of the seeded player/pair will move to the line of the player/pair who has withdrawn.

Any vacancy created by the withdrawal of a seed which occurs after 4.00 p.m. (1600 hours) local time on the day before the start of that event, or the publication of the order of play, may be filled by:

- a. an alternate if the vacancy occurs prior to the commencement of the Qualifying competition (where a qualifying draw has taken place); or
- b. the eligible Lucky Loser if the vacancy occurs after the commencement of the Qualifying competition.

If there are no Alternates, then the next seed shall receive a bye and the player they were originally playing shall move to the now vacant position in the draw.

In Qualifying, if a seeded player withdraws or is moved from Qualifying to the Main Draw, the remaining seeded players shall stay in their positions and the replacing player inserted in the vacated position.

40. Match Formats for Singles & Doubles

The following tables outline the permitted scoring format for ITF Seniors main draw singles and doubles events and the recommended number of matches that may be scheduled per day. It is the decision of the Tournament Committee to decide on scoring formats for each event in line with the below. A shorter scoring format option amongst the scoring format options outlined above may be used in qualifying events, singles consolation events or where there is inclement weather that heavily affects Main Draw scheduling. For example, a Grade 1000 tournament may use the Short Sets format in Main Draw singles if the tournament is heavily affected by inclement weather.

Except for unavoidable disruption to a tournament, a player must not compete in more than 3 matches on the same day.

All Tie-Breaks shall be played as Change of Ends Tie-Breaks, with players changing ends after the first point, and thereafter every four (4) points.

Any short set matches shall play a 7-point tie-break at 4 games all in Set 1 and Set 2. The final (3rd) set shall consist of a 10-point match tie-break. Tournaments may use 'No-Ad Scoring Format' at the discretion of the Tournament Committee. The 'Short Set Tie-Break' and 'No Let' rule are not permitted on the ITF Seniors Tour. Please refer to Appendix V of the ITF Rules of Tennis.

41. Draws of Eight (8) or Less Players / Teams

In singles and doubles events at Grade 100, 200 and 400, the tournament committee can select a format of play (round-robin or knock-out) of choice. An event must comprise a minimum of three (3) players / teams to qualify for ranking points.

In singles events at all other tournaments a round-robin format must be played for any event with less than eight (8) players entered (*except when an event has 5 players and 4 days or less of play, in which case a knock-out draw may be played instead of a Round Robin*) A singles event must comprise a minimum of three (3) players to qualify for ranking points.

In doubles and mixed doubles events at all other tournaments, a round-robin format must be played for any event with less than four teams entered. An event with a minimum of four (4) and a maximum of seven (7) teams entered can be played as a round-robin or knock-out format. An event with eight (8) or more teams entered must be played as a knock-out format.

42. Amalgamation of Age Groups

The ITF recommends that tournament organisers consider amalgamation when an event has three (3) players/teams or less. The ITF recommends that a maximum of two (2) age groups are amalgamated.

An age group containing two (2) players/teams or less must be amalgamated with the age group immediately higher or lower. Multiple age groups can be amalgamated if necessary.

Tournament Organisers are responsible for immediately notifying all entered players if their age group is amalgamated, regardless of when the decision to amalgamate occurs. Where there are three (3) or less players/pairs in an event at the entry deadline, players should contact the Referee within 24 hours of the entry deadline if they do not wish to participate in an event that is amalgamated with a younger age group. Amalgamations must be confirmed before the draw is made.

Cancellation of an age group is not recommended by the ITF and should only occur if absolutely necessary. Any decision to cancel an age group must be immediately communicated by the Tournament Organisers to all players in the cancelled age group and to the ITF.

43. Format of Play of Round Robin Events

3-5 players/teams

One (1) Round Robin group shall be played.

6-7 players/teams

Two (2) Round Robin Groups shall be played.

Upon completion of the Round Robin competitions the top two players/teams in each group shall play a final: Winner Group A vs Winner Group B

Number of seeded players/Teams and seed positions

Draw size	3 draw	4 or 5 draw	6 draw	7 draw
Seeds	0	2	2	2
Based on Round Robin Groups A & B	3 pos in Group A	4 or 5 pos in Group A	3 pos in Group A, 3 pos in Group B	3 pos in Group A, 4 pos in Group B
Seed 1		Line 1, Group A	Line 1, Group A	Line 1, Group A
Seed 2		Line 4 or 5, Group A	Line 1, Group B	Line 1, Group B

The top two seeded players shall be placed in separate Round Robin groups. All other players shall be drawn by lot. If there are seven entries and one Round Robin group is larger than the other, the number 1 seed shall be placed in the smaller group.

Distribution of players from the same nation

Players from a nation shall be distributed as far as technically possible across the Round Robin groups.

Rules for Round Robin events

In the Round Robin groups, the following rules apply:

The standings calculation will only include the results of matches played amongst the players/teams who completed all matches in the round robin group. Retired matches count as completed for this purpose. A player/team that concedes 1 or more walkovers shall not be included for the purposes of the standings calculation.

Players/doubles teams are awarded one (1) point for winning a match. The final standings in a Round Robin group are determined by the number of points won by each player/team.

If the number of points is equal for two (2) players/doubles teams, head-to-head results shall determine the final standings.

If the number of points is equal for three (3) or more players/teams, the following criteria shall determine the final standings;

1. The percentage of sets won of sets played against all players/doubles teams in the group,
2. If, after this calculation, only two players/doubles teams remain tied, the result in the head-to-head match played between the two players/doubles teams will be used to break the tie
3. The percentage of games won of games played against all players/doubles teams in the group
4. If, after this calculation, only two players/doubles teams remain tied, the result in the head-to-head match played between the two players/doubles teams will be used to break the tie

5. If there are still players/doubles teams that remain tied, then the World Individual ranking points of the players/doubles teams used for seeding in the event will be used to break the tie*.
6. If there are still players/doubles teams that remain tied, then drawn by lot.

**The ITF Seniors World Individual Ranking Points used for seeding in the event are determined as per Section I, Regulation 36 for Singles and Section I, Regulation 37 for Doubles and Mixed Doubles.*

If a withdrawal occurs after the draws have been made which results in a draw size of 6 or 7 players, and it is reasonably practicable to do so prior to the start of the event, the Referee has discretion to amend the draws. If a draw size of 7 reduces to 6 players, a non-seeded player may be moved to another group to create two groups of 3 players. An elimination draw of 8 players may be changed to a round robin draw if entries reduce to 7 or less players.

If a player withdraws or is a no-show for the entire tournament, the player is defaulted from the event and all his/her results from matches played are void and not to be considered.

44. Consolation Events

Time and court availability permitting, the Tournament Organiser is encouraged to make every effort to hold a Consolation Singles event for each age group for all players that lose their first match in either the first or second round of Main Draw. Consolation matches may be played on a different surface to the main draw provided this information is made clear at sign in for the consolation event.

Consolation events shall be played in a knock-out draw format and must consist of three (3) or more players.

When necessary, the amalgamation of up to three (3) age categories is possible.

Consolation events for players who lose their first match (whether in round one (1) or round two (2)) should be held. Tournament organisers are expected to schedule consolation events to take place promptly after the completion of first matches.

Consolation matches at 100, 200 and 400 grade tournaments may be scheduled promptly following the completion of the first matches in the event, which can be on the same day provided Regulation 40 permits players to play more than one match per day. Players who lose their first round or first match on a later date can be fed into the consolation draw, provided they sign into consolation promptly after losing their first match. The Referee is permitted to amend and re-publish the draw to facilitate this.

Advancement to the second round by virtue of a walkover in a player's first match shall count as a match won for the purpose of the Consolation event. Players who get a walkover in their first match and lose their second match may choose whether to receive the ranking points won from the walkover or to play the Consolation event.

ITF Seniors World Ranking points will be awarded in the Consolation event.

Consolation at World Individual Championships

Consolation draws at World Individual Championships shall be played as two short sets and a ten (10) point Match Tie-Break or two Tie-Break sets and a ten (10) point Match Tie-Break instead of a third set. However, the semi-finals and final must be played as two Tie-Break Sets and a ten (10) point Match Tie-Break unless for inclement weather and/or limited court availability.

Events shall follow the same seeding provisions as all other ITF Seniors Tour tournaments.

Advancement to the second round by virtue of a Bye in a player's first Main Draw match shall not count as a match won for the purpose of eligibility to participate in the Consolation event.

Advancement to the second round by virtue of a walkover in a player's first match shall count as a match won for the purpose of the Consolation event at the ITF World Individual Championships only. If the player loses his/her second-round match, the player may choose to forfeit the ITF Seniors World Individual Ranking points gained due to advancement to the second round by virtue of a walkover and thus become eligible to participate in the Consolation event.

45. Daily Order of Play

Once the ITF Referee has determined the following day's Order of Play, it should be released by the ITF Referee, both online via ITF Tournament Planner program (Seniors TP) and on-site with print outs from the ITF Tournament Planner program (Seniors TP), as soon as possible, but no later than 22:00 hours local time.

Once officially released, the Order of Play shall not be amended unless the ITF Referee deems it necessary and/or appropriate. The ITF Referee will inform the ITF Seniors department of such occasions.

It is each player's responsibility to ascertain his or her times of play and when their match is called.

46. Suspension and Postponement

The Chair Umpire or the Referee may suspend a match temporarily due to darkness or conditions of the grounds or weather. Any such suspension by the Chair Umpire must be reported immediately to the Referee. The Referee must, however, make all decisions on the postponement of a match until a later day. Unless and until the Referee postpones a match, the players, Chair Umpire and all on-court officials must remain ready to resume the match.

Upon suspension of a match, the Chair Umpire shall record the time, point, game and set score, and the name of the server, the sides on which each player was situated and shall collect all balls in use for the match.

If suspension is due to darkness it should, whenever possible, be after an even number of games have been played in the set-in progress or at the end of a set. There shall be five (5) minutes of warm-up before a match. In the case of a suspended or postponed match, the period of warm-up shall be as follows:

0-14 minutes delay	-	no warm-up
15-29 minutes delay	-	three (3) minutes of warm-up
30 or more minutes of delay	-	five (5) minutes of warm-up

47. Players' Rest

a) Between sets:

A ten-minute rest period shall be taken after the second set unless the players concerned agree otherwise. Players may leave the court during the ten-minute rest period. Players may interact with their support team members and tournament visitors during the ten-minute rest period.

The above does not apply in the case of a deciding ten (10) point Match Tie-Break, in which case play should be continuous.

When a ten-minute rest period is taken, the players concerned shall immediately inform the Chair Umpire, or where there is no Chair Umpire, the Referee or Court Official, so that he/she may determine the exact time for play to resume. Any failure by one or more of the players to return and commence play at the agreed time shall subject the player to Time Violations as set out in the Code of Conduct.

b) Between matches:

Except when weather or other unavoidable circumstances causes schedule disruption, players shall be scheduled for a maximum number of matches per day in line with

Section 1. Regulation 40 (Match Formats Singles & Doubles). Where a player is required to play on consecutive days, matches should not be scheduled less than twelve (12) hours after completion of the last match of such player on the preceding day.

Players entered in to three (3) events at the same tournament must be prepared to play three (3) matches a day.

Except when weather or other unavoidable circumstances causes schedule disruption, it is recommended that players shall be scheduled for a maximum of one (1) Singles match per day.

Whenever it is necessary to schedule more than one match in the same day such player shall, unless he/she is in a Singles and Doubles final to be played consecutively, be given the following minimum rest periods:

- i) Played less than one (1) hour – half ($\frac{1}{2}$) an hour rest
- ii) Played between one (1) hour and one and one half ($1 \frac{1}{2}$) hours – one (1) hour rest
- iii) Played more than one and one half ($1 \frac{1}{2}$) hours – one and one half ($1 \frac{1}{2}$) hours rest

If play has been interrupted for thirty (30) minutes or more due to rain or other warranted delay, the length of match time would be assessed from the moment play resumes following the delay.

If play is interrupted for less than thirty (30) minutes, match time would be considered continuous from the moment the first ball of the match was put into play.

The above rule applies to Main Draw matches and when possible to Consolation matches.

c) Between Qualifying and Main Draw:

Other than in exceptional circumstances, no player shall be required to play his/her first round match in the Singles Main Draw until at least twelve (12) hours after the completion of his/her final Qualifying match.

48. Duties of the Referee

1. The Referee shall:

It is permitted to appoint casinos or national, regional or state sports lotteries as part of the above rights (with the prior approval of the ITF) provided they do not offer tennis betting as part of their business activity.

The ITF retains the exclusive right for net branding at each event of the Competition. The Tournament Organiser of each event of the Competition is not allowed to place branding on the net unless agreed otherwise in writing with the ITF.

The ITF will have the right to instruct individual tournaments on the ITF Senior Tour to use the balls of the Official Ball manufacturer providing that the balls are given to the tournament free of charge.

The ITF accepts that certain tournaments may have existing agreements in place with ball manufacturers and in such circumstances, the ITF will waive the right to require the use of the Official Ball at these tournaments for the duration of the existing agreement.

Should the ITF inform a tournament on the ITF Seniors Tour of the intention to use an Official Ball, that tournament agrees that once their current agreement has expired, no new agreement with a ball manufacturer will be entered into.

66. Related Regulations

To the extent not covered herein The Constitution of ITF Limited and the Rules of Tennis shall be applicable to all ITF Seniors Tour Tournaments. Such an application must be received by the ITF Internal Adjudication Panel at least two months prior to the event for which the player or captain wishes to be nominated.

- ITF Seniors World Team Ranking
- Where two (2) or more players are moving up an age group since the last edition was played, the ITF Seniors World Team Ranking from the age group lower will be considered
- Head-to-Head results from the teams in previous three (3) editions.

- ITF Seniors Rankings of nominated players

The Draw shall be made in public at the venue for the Competition no later than twelve (12) hours before the commencement of the Competition. Once the draw has been made there can be no change unless a team retires or is forced to retire from the time the draw is made until the daily nomination deadline on the first day of play, the Referee in his discretion and in agreement with the ITF Representative may remake in part or in full the draw of that Cup.

42. Order of Play

The order of play shall be as follows:

First Match: Number 2 v Number 2
Followed by: Number 1 v Number 1
Followed by: Doubles Match

It may be necessary on occasions such as bad weather to play both singles matches simultaneously. If this is necessary, every effort will be made to play both matches on neighbouring courts. This may result in any unfinished matches and/or matches that have not started from the previous day being moved to a different court.

If the doubles match has not started by a specific time confirmed in the official order of play or official factsheet, the Referee, at their discretion may delay the match until the following day and schedule on a different court.

43. Court Surface

The surface of the courts to be used shall be subject to the approval of the Seniors Committee.

44. Balls

Any two (2) members of the team may be nominated by the Captain to play any of the doubles matches.

47. Entitlement to Rest

If a player is called upon to play more than one (1) round in one day, the Referee shall decide his or her entitlement to rest.

48. Substitutions

If a player is unable to play his/her match due to health or injury or bereavement following notification of his/her name to the Referee, a substitution may be made by the Captain from the final nominated team. The Referee's decision to allow or not allow substitution shall be final.

49. Interval between Singles and Doubles

Singles matches should follow each other immediately. There shall be a maximum of twenty (20) minutes between the finish of the Number 2 singles and the start of the Number 1 singles match. There shall be an interval of thirty (30) minutes between the singles and doubles matches, unless decided otherwise by the Referee.

50. Relocation of Doubles Match

The Referee shall have the discretion to transfer a doubles match to another court.

51. Method of Determining Positions in Round Robin Events

Each tie will consist of three matches; two singles and one doubles. The nation which wins the majority of the matches in the tie shall be declared the winner and shall be awarded one point.

- If two nations score an equal number of points, the head-to-head result between these nations shall decide the winner.
- If three or more nations score an equal number of points the following procedure shall be used:
 - The number of matches won shall decide the winner.
 - If matches won are equal, the percentage of sets won of sets played against all teams in the pool shall decide the winner.
 - If the percentages of sets won are equal, the percentages of games won against all teams in the pool shall decide the winner.

When three or more nations are tied, head-to-head results are never used to determine the positions in the group.

If any match is stopped and not completed for reasons of injury, etc., the full score shall be recorded. Example: Player A leads over Player B by 6-1, 2-0 when Player B is injured and unable to continue. Player A's victory shall be recorded as 6-1, 6-0.

52. Team Identification

Team Identification is strongly recommended, and the Identification on Dress and Equipment Rule shall apply (see Section III, Code of Conduct).

53. Young Seniors/Seniors/Super-Seniors World Team Championships ranking points

Singles and doubles ranking points for matches won at ITF Team Championships (which form part of the ITF Seniors Tour), will be published by the ITF and made available to players in advance of each Competition.

The World Team Championships will offer a ranking point value equivalent to the World Individual Championships.

Regional Team Championships with restricted participation will offer a ranking point value as determined on a case-by-case basis by the ITF Seniors Committee.

54. Seniors World Team Rankings

Points for the ITF Seniors World Team Rankings will be awarded in each of the 22 World Team Championship age groups and this will enable a ranking to be generated for each age group.

The rankings will consider the finishing position of nations in the Young Seniors, Seniors and Super-Seniors World Team Championship Cup events over a three (3) year period.

The points total will be worked out over the three (3) year period with the number of points counting towards the ranking with the following percentages:

Year 1: 100%

References in this Code to the “Committee” shall hereafter mean the ITF Seniors Committee.

A. Purpose

All references to the International Tennis Federation or the ITF shall mean the ITF limited.

B. Exclusive Applicability

This Code is applicable as stated herein to the ITF Seniors Tour and ITF World Team and Individual Championships. Any reference to players in this Code shall apply to all team members in the ITF World Team Championships, including the Captains, where appropriate.

This Code shall be the exclusive basis for disciplinary action against any player, Related Person, Covered Person or tournament in ITF sanctioned Seniors Tour tournaments, except to the extent that disciplinary jurisdiction is established in relation to such tournaments under (i) the Tennis Anti-Doping Programme, (ii) the Tennis Anti-Corruption Program and/or (iii) the ITF Welfare Policy.

For the purposes of this Code, 'Related Person' is defined as any coach, trainer, therapist, physician, management representative, agent, family member, tournament guest, business associate or other affiliate or associate of any player, or any other person who receives accreditation at an ITF Seniors Tour tournament at the request of the player or any other Related Person.

II. ENTRY OFFENCES

A. Entry Offences

1. Late Withdrawal/No Show

Any late withdrawal from a player accepted into the Main Draw or Qualifying that occurs after the Withdrawal Deadline shall be considered a late withdrawal. A player's first (1) late withdrawal offence within a calendar year is excused, provided the withdrawal is received by the Referee, if submitted after the Withdrawal Deadline, prior to the publication of the draw.

Any unauthorised late withdrawal or any subsequent late withdrawal shall subject a player to sanction points in accordance with the Suspension Point Schedule below.

A player will have committed a No-Show Offence if:

- the player is accepted into the Qualifying Draw and fails to sign in by the Qualifying Sign-In Deadline; or
- the player is accepted into the Main Draw or has a wild card entry and fails to arrive on-site for his first match in the tournament. The Referee may waive the No Show Offence for a player who arrives on-site after the scheduled commencement time for his/her match, and penalise him/her for the On-Site Offence of Punctuality instead

A player with two (2) consecutive no shows at ITF Seniors Tour tournaments will be prevented from entering and/or playing any further ITF Seniors tournaments until all outstanding entry fees and IPIN fees are paid. The player will be prevented access to the IPIN system until payment has been made.

In circumstances that are flagrant and particularly injurious to the success of the tournament, or are singularly egregious, a single violation of this Section shall also constitute the Major Offence of "Aggravated Behaviour".

2. On-Site Medical Withdrawal

If a player is forced to retire or withdraw during a tournament for medical reasons, the ITF Medical Certification form must be completed by the medically qualified physician on-site verifying that the player is unfit to continue playing in the current tournament.

For the purpose of this rule, the ITF Medical Certification form must be completed and submitted to the ITF no later than the last day of the tournament.

A valid ITF Medical Certification form will excuse a late withdrawal penalty including for any subsequent tournament until the player next competes in any tennis event, provided the late withdrawal is submitted prior to the draw being made.

3. One Tournament

No player who has entered and been accepted into the Qualifying or Main Draw of an ITF Seniors Tour tournament shall play in any other tennis event during the period of such tournament.

Violation of this section shall result in a default by the ITF Referee and forfeiture of all ITF Seniors World Individual Ranking points and forfeiture of all prize money and/or hospitality money earned during the given period.

In circumstances that are flagrant and particularly injurious to the success of the tournament, or are singularly egregious, a single violation of this Section shall also constitute the Major Offence of “Aggravated Behaviour”.

B. Wild Cards

No player or Related Person, directly or indirectly, shall offer, give solicit, receive or accept, or agree to offer, give, solicit, receive or accept anything of value in exchange for a Wild Card. Violation of this Section by a player or Related Person shall subject that player or related Person to sanction in accordance with Section D below.

The maximum penalty for a breach of this Section B by a player or Related Person shall be permanent denial of access to any ITF tournament, event or circuit.

In circumstances that are flagrant and particularly injurious to the success of an ITF Seniors Tour tournament, or are singularly egregious, a single violation of this section shall also constitute the Major Offence of “Aggravated Behaviour” and shall be subject to the additional penalties below therefore.

C. Falsifying Official Documentation

Should a player submit documentation that the ITF deems to be false evidence, including but not limited to documents pertaining to tournament entry and withdrawal and Code of Conduct appeals, the player shall be subject to sanction points.

In circumstances that are flagrant and particularly injurious to the success of an ITF Seniors Tour tournament, or are singularly egregious, a single violation of this section shall also constitute the Major Offence of “Aggravated Behaviour” and shall be subject to the additional penalties below therefore.

D. Determination and Penalty

The ITF or Referee shall make such investigation as is reasonable to determine the facts regarding all entry offences and upon determining that a violation has occurred shall specify punishment therefore and where possible notify the player or Related Person.

E. Appeals

Any player or Related Person found to have committed an Entry Offence may appeal to the ITF Internal Adjudication Panel, which shall determine the matter in accordance with its Procedural Rules (save that there shall be no right of appeal against the ITF Internal Adjudication Panel's decision). The appeal shall be made in writing using the form prescribed by the ITF and must be filed with the ITF by 5.00PM GMT within fourteen (14) days from the date the player is notified of the violation (the “Notice of Appeal”). The Notice of Appeal must include a statement by the player as to the facts and circumstances of the incident along with any other evidence the player wishes to submit.

III. ON-SITE OFFENCES

A. General

Every player, and in relation to team competitions, the team captain, team member/extra players, coach, trainer or officials of the participating teams (“Team Member”), shall during all matches and at all times while within the precincts of the site (which shall include any official venue or location related to the Tournament), conduct himself/herself in a professional manner. The provisions below shall apply to each player and Team Member while within the precincts of each such site, and references to the site shall include tournament hotels, transport, all tournament facilities and locations of tournament functions or activities.

B. Punctuality

Matches shall follow each other without delay in accordance with the announced order of play. The order of play shall be posted at a highly visible place in a general player's area as designated by the Referee.

Matches shall be called in accordance with the order of play using all available and reasonable means. Players shall be ready to play when their matches are called.

Any player not ready to play within fifteen (15) minutes after his/her match is called shall be defaulted unless the Referee in his/her sole discretion, after consideration of all relevant circumstances, elects not to declare a default. The Player may also be subject to additional penalties set out in Article III, O.

C. Dress and Equipment

Every player shall dress and present himself/herself for play in a professional manner. Clean and customarily acceptable tennis attire shall be worn.

Any player who violates this Section may be ordered by the Court Official or Referee to change his/her attire or equipment immediately. Failure of a player to comply with such order may result in an immediate default. (The ITF reserves the right to interpret the following rules so as to give effect to the intent and purposes of these Regulations).

1. Unacceptable Attire

Inappropriate attire shall not be worn during a match (including the warm-up). Players may wear warm-up clothing during the warm-up and during the match provided it complies with the foregoing provisions.

a) Unacceptable Attire

Sweatshirts, gym shorts, dress shirts, T-shirts or any other inappropriate attire shall not be worn during a match (including the warm-up).

b) Shoes

Players are required to wear tennis shoes generally accepted as proper tennis attire. Shoes shall not cause damage to the court other than what is expected during the normal course of the match or practice. Damage to a court may be considered as physical or visible, which may include a shoe that leaves mark beyond what is considered acceptable. The ITF Referee has the authority to determine that a shoe does not meet the criteria and may order the player to change.

i) Grass Court Shoes

At grass court tournaments, no shoes other than those with rubber soles, without heels, ribs, studs or coverings, shall be worn by players. Shoes

with pimples or studs around the outside of the toes shall not be permitted. The foxing around the toes must be smooth.

The Referee has the authority to determine that a tennis shoe's sole does not conform to such customs and standards and can prohibit its use at grass courts tournaments.

ii) Clay Court Shoes

Players are required to wear tennis shoes generally accepted for play on clay courts or granular surfaces. The Referee has the authority to determine that a tennis shoe's sole does not conform to such customs and standards and can prohibit its use at clay courts tournaments.

Grass court shoes shall not be worn during a match on clay courts.

2. Doubles Teams

In ITF Team Competitions members of doubles teams shall be dressed in substantially the same colours.

3. Team Identification (Team Competitions)

Players and Captains are encouraged to dress in compliance with Team Identification principles. To comply a Player or Captain shall display the Nation's name on the back of his/her shirt or he/she shall dress in National colours.

4. General

No identification shall be permitted on a player's clothing or equipment that promotes/displays betting companies, tobacco or e-cigarette products, hard liquor products, political activity or other category deemed to be detrimental to the sport of tennis, the ITF or the ITF Senior Tour tournaments.

In the event the utilisation of any non-prohibited commercial identifications would violate any governmental regulation then the same shall be prohibited.

5. Warm-up Clothing

Players may wear warm-up clothing during the warm-up and during a match provided it complies with the foregoing provisions and provided further that the players obtain approval of the Referee prior to wearing warm-up clothing during a match.

D. Time Violation/Delay of Game

Following the expiration of the warm-up period play shall be continuous and a player shall not unreasonably delay a match for any cause.

A maximum of twenty five (25) seconds shall elapse from the moment the ball goes out of play at the end of the point until the time the ball is struck for the first serve of the

next point. If such serve is a fault then the second serve must be struck by the server without delay.

When changing ends a maximum of ninety (90) seconds shall elapse from the moment the ball goes out of play at the end of the game until the time the first serve is struck for the next game. If such first serve is a fault the second serve must be struck by the server without delay. However, after the first game of each set and during a Tie-Break, play shall be continuous and the players shall change ends without a rest period.

At the conclusion of each set, regardless of the score, there shall be a set break of one hundred and twenty (120) seconds from the moment the ball goes out of play at the end of the set until the time the first serve is struck for the next set.

If a set ends after an even number of games, there shall be no change of ends until after the first game of the next set.

The receiver shall play to the reasonable pace of the server and shall be ready to receive within a reasonable time of the server being ready.

A Time Violation may be issued prior to the expiration of twenty five (25) seconds if the receiver's actions are delaying the reasonable pace of the server.

The first violation of this Section, as either server or receiver, shall be penalised by a Time Violation - Warning and each subsequent violation, as either server or receiver, shall be penalised as follows:

- Server: The Time Violation shall result in a "fault"
- Receiver: The Time Violation shall result in a "point penalty"

In each case, the Chair Umpire/Referee may determine that an extension of time is necessary and not impose a penalty.

Players shall also prohibit their coaches (1) from using audible obscenity within the precincts of the tournament site, (2) from making obscene gestures of any kind within the precincts of the tournament site, (3) from verbally abusing any official, opponent, spectator or other person within the precincts of the tournament site, (4) from physically abusing any official, opponent, spectator or other person within the precincts of the tournament site and (5) from giving, making, issuing, authorising or endorsing any public statement within the precincts of the tournament site having, or designed to have, an effect prejudicial or detrimental to the best interests of the tournament and/or of the officiating thereof. If such violation occurs during a match (including the warm-up), the player shall be penalised in accordance with the Point Penalty Schedule below. In circumstances that are flagrant and particularly injurious to the success of a tournament, or are singularly egregious, the Referee may order the Coach to be removed from the site of a match or the precincts of the tournament site and upon his failure to comply with such order may declare an immediate default of such player.

For purposes of this Rule, the Referee and/or Chair Umpire and/or Court Official shall have the authority to penalise a player in accordance with the Point Penalty Schedule. In circumstances that are flagrant and particularly injurious to the success of the tournament or Tie, or are singularly egregious, a single violation of this Section shall also constitute the Major Offence of “Aggravated Behaviour” and shall be subject to the additional penalties below, therefore.

N. Leaving the Court

A player shall not leave the court area during a match (including the warm-up) without the permission of the Chair Umpire, Referee, or Court Official. A player who violates this section may be defaulted by the Referee and subjected to the additional penalties for Failure to Complete Match as below, therefore.

O. Failure to Complete Match or Tournament

A player/team must complete a match/tie in progress, and complete the tournament, unless he/she/team is reasonably unable to do so. Violation of this Section shall subject a player to immediate default and shall also constitute the Major Offence of “Aggravated Behaviour” and shall be subjected to the additional penalties below, therefore. Any player nominated for any match in the Tie must commence or complete such match unless he/she is incapacitated by illness, accident, or other unavoidable

hindrance. Any player in violation of this section shall not be eligible to represent his/her nation in the next Tie whether in the current Competition or subsequent Competitions. P. Ceremonies

All nominated players and Captains are required to attend the official functions in appropriate team dress unless reasonably unable to do so, as determined by the Referee.

Any player in violation of this section shall not be eligible to represent his/her nation in the subsequent Competitions. In circumstances that are flagrant and particularly injurious to the success of the tournament, or are singularly egregious, a single violation of this Section shall also constitute the Major Offence of “Aggravated Behaviour” and shall be subject to the additional penalties below, therefore.

Q. Point Penalty Schedule

The Point Penalty Schedule to be used for violations set forth above is as follows:

FIRST Offence	WARNING
SECOND Offence	POINT PENALTY
THIRD AND EACH SUBSEQUENT Offence	GAME PENALTY

However, after the third Code Violation, the Referee shall determine whether each subsequent offence shall constitute a default.

The imposition of a penalty under the Point Penalty Schedule shall be final and unappealable.

R. Defaults

The Referee may declare a default for either a single violation of this Code or pursuant to the Point Penalty Schedule set out above.

In all cases of default, the decision of the Referee shall be final and unappealable.

Any player who is defaulted as herein provided may be defaulted from all other events and/or from the remainder of the Tie, except when:

- (a) the player or team was defaulted for a violation of the Punctuality or Dress and Equipment provisions above at Article III, B and C; or
- (b) the player or team was defaulted as a result of a medical condition; or
- (c) the player’s doubles partner commits the Code Violation which causes the default.

Default of a player from the remainder of the tournament may include at the Referee's discretion, the removal of accreditation and denial of access to the site. A default as a result of a violation by a Team Member other than a player may subject that Team Member to removal of accreditation, and at the Referee's discretion, denial of access to the site.

Any player who is defaulted as herein provided shall lose all prize money and/or hospitality money and points earned for that event at that tournament or Tie (where applicable).

S. Doubles Events

Warnings, Point Penalties, Game Penalties and/or a Default if assessed for violation of the Code shall be assessed against the team.

T. Determination and Penalty

The Referee shall make such investigation as is reasonable to determine the facts regarding all On-Site Offences and upon determining that a violation has occurred shall specify the punishment, other than under the Point Penalty Schedule, and give written notice thereof to the player.

U. Appeals

Any player or Team Member found to have committed an On-Site Offence may appeal the determination of a violation and/or the punishment imposed under Article III, (T) above (but not any point penalties or defaults) to the ITF Internal Adjudication Panel, which shall determine the matter in accordance with its Procedural Rules (save that there shall be no right of appeal against the ITF Internal Adjudication Panel's decision). The appeal shall be made in writing using the form prescribed by the ITF and must be filed with the ITF by 5.00PM GMT within fourteen (14) days from the date the player/Team Member is notified of the violation (the "Notice of Appeal"). The Notice of Appeal must include a statement by the player as to the facts and circumstances of the incident along with any other evidence the player wishes to submit.

V. SUSPENSION POINTS

Suspension points shall be recorded against a player according to the following:

a) Late withdrawals

e) Failure to Complete Match/Tie 5

f) Soliciting a Wild Card 4

g) Submitting False Documentation 7

h) Failure to obtain on-site medical prior to withdrawal 5

** There can only be one late withdrawal code per player per tournament, therefore the higher number of suspension points will be applied*

Any player receiving a total of ten (10) or more suspension points shall be suspended from competing ITF Seniors Tour Tournaments for a period of four (4) weeks.

At the Appeal Deadline, the suspended player will be automatically removed from the entry list of any tournament entered that is due to commence during the period of suspension and prevented from entering any tournament due to commence during the period of suspension. Once the period of suspension has been served, the ten (10) points will be deducted from the player's suspension points total. Should a player have more than ten (10) suspension points when he/she commences his/her period of suspension, the balance of the points will be carried over.

The suspension shall commence from a date to be specified by the ITF, which shall take into account the time required to notify the player's National Association and all other relevant parties.

The ITF is responsible for notifying the Regional and/or National Associations of any suspension incurred by a player. Referees and ITF Seniors Tour Tournaments shall be in breach of the Regulations if they allow any player to play that has been notified to them as suspended.

The ITF Internal Adjudication Panel may reduce or waive the suspension points on appeal.

III-1. COVID-19 PROTOCOLS (COVERED PERSONS)

A. Minimum Standards of Behaviour

All Covered Persons shall comply with the *ITF Return to International Tennis Protocols* including without limitation the *Minimum Standard of Behaviour (the 'Protocols')*. Any failure to comply with the Protocols shall amount to a violation of this Article III-1. Violation of this Article III-1 may result in the following sanctions:

- (i) For a player: one or more point penalties in accordance with the Suspension Points Schedule pursuant to Article III.V (Suspension Points) or an Immediate Default and six (6) suspension points in accordance with Article III.R (Defaults). If such violation occurs during a match (including the warm-up), the player shall be penalised in accordance with the Point Penalty Schedule at Article III.Q. One violation of this Article III-1.A that is flagrant and particularly injurious to the success of the tournament, or is singularly egregious, or a series of two (2) or more violations of this Article III-1.A within a twelve (12) month period which when viewed together establish a pattern of conduct that is collectively egregious and is detrimental or injurious to the tournament may also constitute the Major Offence of "Aggravated Behaviour".
- (ii) For a Related Person or any other Covered Person: immediate revocation of accreditation and denial of access to the tournament. One or more violations which are singularly or collectively flagrant or egregious or detrimental or injurious to the tournament may also result in permanent revocation of accreditation and denial of access to all ITF tournaments, competitions and events as determined by the ITF.

B. Determination and Penalty

The ITF Referee shall make such investigation as is reasonable to determine the facts regarding an alleged violation of this Article III-1. Upon determining that a violation has occurred, the ITF Referee shall specify the sanction(s) to be imposed and give written

notice thereof to the Covered Person. The ITF Referee shall not revoke a Covered Person's entry and/or access to an ITF Seniors Tour tournament without first consulting the ITF Executive Director save where the immediate revocation of entry and/or access to a tournament is, in the reasonable opinion of the ITF Referee, necessary to preserve the health and safety of other Covered Persons.

C. Appeal

Any Covered Person found to have committed an offence under Article III-1. A may appeal the determination of a violation and/or the punishment imposed under section A. above (but not any Immediate Default issued to a player) to the ITF Internal Adjudication Panel, which shall determine the matter in accordance with its Procedural Rules (save that there shall be no right of appeal against the ITF Internal Adjudication Panel's decision). The appeal shall be made in writing, using the form prescribed by the ITF and must be filed with the ITF by 17:00 (5.00pm) GMT within fourteen (14) days from the date the Covered Person is notified of the violation. The Notice of Appeal must include a statement by the Covered Person as to the facts and circumstances of the incident along with any other evidence the Covered Person wishes to submit.

IV. MAJOR OFFENCES

A. Wagers

No player or Related Person may wager anything of value in connection with any ITF Seniors Tour tournaments. Violation of this section shall subject the player to a suspension from play in ITF Seniors tournaments for a period of up to three (3) years. Violation of this section shall subject a Related Person to a maximum penalty of permanent denial of access to all ITF Seniors Tour tournaments.

B. Bribes or Other Payments

No player or Related Person may offer, give, solicit, or accept, or agree to offer, give, solicit, or accept, anything of value to or from any person with the intent to influence any player's efforts or participation in any ITF Seniors Tour tournament.

Violation of this section shall subject the player to a suspension from play in ITF Seniors Tour tournaments for a period of up to three (3) years. Violation of this section shall subject a Related Person to a maximum penalty of permanent denial of access to all ITF Seniors Tour tournaments.

C. Aggravated Behaviour

No player or Related Person at any ITF Seniors Tour event shall engage in "Aggravated Behaviour" which is defined as follows:

- i) One or more incidents of behaviour designated in this Code as constituting “Aggravated Behaviour”.
- ii) One incident of behaviour that is flagrant and particularly injurious to the success of an ITF Seniors Tour event or is singularly egregious.
- iii) A series of two (2) or more violations of this Code within a twelve (12) month period which singularly do not constitute “Aggravated Behaviour”, but when viewed together establish a pattern of conduct that is collectively egregious and is detrimental or injurious to the ITF Seniors Tour.

Violation of this section shall subject the player to a maximum penalty of permanent suspension from play in any ITF tournament, event, or Tour.

Violation of this Section by a player, directly or indirectly through a Related Person or others, shall subject them to a maximum penalty of permanent denial of access to any ITF tournament, event, or circuit.

Violation of this Section shall subject a Related Person to a maximum penalty of permanent revocation of accreditation and denial of access to any ITF tournament, event, or Tour.

D. Conduct Contrary to the Integrity of the Game

No player or Related Person shall engage in conduct contrary to the integrity of the Game of Tennis. If a player is convicted of a violation of a criminal or civil law of any country, the punishment of which includes possible imprisonment for more than one year, he/she may be deemed by virtue of such conviction to have engaged in conduct contrary to the integrity of the Game of Tennis and the ITF Executive Director may provisionally suspend such player from further participating in ITF Seniors Tour tournaments pending a final determination in section E. In addition, if a player has at any time behaved in a manner severely damaging to the reputation of the sport, he/she may be deemed by virtue of such behaviour to have engaged in conduct contrary to the integrity of the Game of Tennis and be in violation of this section.

Violation of this Section by a player, directly or indirectly through a Related Person or others shall subject the player to a maximum penalty of permanent suspension from play in any ITF tournament event or Tour.

Violation of this section shall subject a Related Person to a maximum penalty of permanent denial of access to any ITF tournament, event, or Tour.

E. Determination and Penalty

The ITF will investigate all facts concerning any alleged Major Offence. All Players and Related Persons must cooperate fully with such investigations. The ITF may make a

written demand to a Player or Related Person (a "Demand") to furnish to the ITF any information that may evidence or lead to the discovery of evidence of a Major Offence, including (without limitation) requiring the Player or other Related Person to attend an interview and/or to provide a written statement setting forth his/her knowledge of the relevant facts and circumstances. The Player or Related Person must furnish such information within seven business days of the making of such Demand, or within such other deadline as may be specified by the ITF.

Where, as the result of an investigation under this Article IV.E, the ITF forms the view that a Player or Related Person has a case to answer for commission of a Major Offence, the ITF shall refer the matter to the Review Board.

Review Board

The ITF shall identify one or more individuals who are independent of the ITF and who have the expertise required by the nature of the particular case to form the Review Board and to review the evidence to determine whether there is a case to answer. The ITF shall send the entire dossier of evidence to the Review Board member(s). Where necessary, the Review Board may request that the ITF provide additional information for the Review Board's consideration. There shall be no obligation for the Review Board to meet in person to deliberate. However, any decision by the Review Board that the Player or other Person has a case to answer must be unanimous.

Where the Review Board concludes that there is no case to answer, then the ITF shall notify the Player or Related Person and any other party with a right of appeal, and (subject to the rights of appeal) the matter shall not proceed any further.

When the Review Board determines that a Player or Related Person has a case to answer, the ITF will send a written notice to the Player or Related Person (the "Notice of Charge"), with a copy to the Chairman of the Independent Tribunal, setting out:

- (a) the Major Offence(s) alleged to have been committed, a summary of the facts upon which such allegations are based;
- (b) the potential consequences applicable if it is determined that the alleged Major Offence has been committed; and
- (c) the Player or Related Person's entitlement to respond to the Notice of Charge in one of the following ways:
 - (i) to admit the Major Offence(s) charged, and accede to the consequences specified in the Notice of Charge;
 - (ii) to admit the Major Offence(s) charged, but to dispute and/or seek to mitigate the consequences specified in the Notice of Charge, and to have the Independent Tribunal determine the consequences at a hearing; or
 - (iii) to deny the Major Offence(s) charged, and to have the Independent Tribunal determine the charge and (if the charge is upheld) any consequences, at a hearing;

- (d) if the Player or Related Person wishes to exercise his/her right to a hearing before the Independent Tribunal, he/she must submit a written request for such a hearing so that it is received by the ITF as soon as possible, but in any event within 10 days of the Player or Related Person's receipt of the Notice. The request must also state how the Player or Related Person responds to the charge in the Notice and must explain (in summary form) the basis for such response. In the event no such response is received by that deadline, the Player or Related Person will be deemed to have admitted the Major Offence(s) charged, and to have acceded to the consequences specified in the Notice of Charge.

In the event that the ITF withdraws the Notice of Charge, or the Player or Related Person admits the Major Offence(s) charged and accedes to the consequences specified by the ITF (or is deemed to have done so), a hearing before the Independent Tribunal shall not be required. Instead, the ITF shall promptly issue a decision confirming (as applicable) its withdrawal of the Notice of Charge or the commission of the Major Offence(s) and the imposition of the specified consequences and shall send a copy of the decision to the Player or Related Person.

Provisional Suspension

- i. At the time, afterwards, or (exceptionally) before, it issues a Notice of Charge, the ITF may impose a Provisional Suspension on the Player or Related Person in question pending determination of the charge(s), where it considers it necessary to protect the integrity and/or reputation of the Competition, the ITF, and/or the sport of tennis.
- ii. Where a Provisional Suspension is imposed, the ITF shall notify the Player or Related Person of his/her right:
 - (a) at his/her election, to make an application to the Chairman of the Independent Tribunal convened to hear his/her case, either immediately or at any time prior to the full hearing, for an order that the Provisional Suspension should not be imposed (or, if the Provisional Suspension has been imposed, that it should be vacated). The Chairman of the Independent Tribunal, sitting alone, will rule on the application as soon as reasonably practicable; and
 - (b) to have the proceedings before the Independent Tribunal expedited so that the hearing is held, and the charge against him/her is determined, as soon as possible, consistent with the requirements of due process.

- iii. In circumstances where the ITF decides not to impose a Provisional Suspension, the Player or Related Person shall be offered the opportunity to accept a voluntary Provisional Suspension pending the resolution of the matter. If the Player or Related Person wishes to accept the offer (and receive credit against any period of suspension that might be imposed), the Player or Related Person must communicate his/her acceptance in writing to the ITF, in a form acceptable to the ITF.
- iv. No admission shall be inferred, or other adverse inference drawn, from the decision of a Player or Related Person (a) not to make an application to avoid (or to vacate) a Provisional Suspension, or (b) to accept a voluntary Provisional Suspension.
- v. A Player or Related Person may not, during the period of any Provisional Suspension, play, coach or otherwise participate in any capacity in any tournament, event or Tour owned or sanctioned by the ITF.
- vi. Any period of Provisional Suspension served by the Player or Related Person (whether imposed or voluntarily accepted in writing, in a form acceptable to the ITF) shall be credited against any period of suspension imposed by the Independent Tribunal, provided that the Player or Related Person must have respected the terms of the Provisional Suspension in full. No credit against a period of suspension shall be given for any time period before the effective date of the Provisional Suspension (whether imposed or voluntarily accepted in writing, in a form acceptable to the ITF), regardless of the Player's or Related Person's status or lack of participation during such period. If a period of suspension is served pursuant to a decision that is subsequently appealed, then the Player or Related Person shall receive a credit for such period of Provisional Suspension served against any period of suspension that may ultimately be imposed on appeal.

Hearing

If the Player or Related Person charged exercises his/her right to a hearing, the matter shall be referred to the Independent Tribunal and shall be resolved in accordance with the Independent Tribunal's Procedural Rules.

F. Commencement of Penalty

A suspension imposed on a Player for a Major Offence shall take effect from the later of the following, unless specified otherwise by the Independent Tribunal or the ITF when issuing a suspension:

- (a) the date of notification by the ITF or the Independent Tribunal;

(b) if the Player is participating in a Tournament on the date of notification, the day after he or she finishes competing in that Tournament.

The revocation of accreditation or denial of access to any ITF tournament, event or Tour imposed on a Related Person shall take effect immediately upon notification.

Any breach by a player or Related Person of the terms of their sanction under this section IV shall be referred to the ITF Internal Adjudication Panel and dealt with pursuant to clause 5 of the *Procedural Rules governing an Internal Adjudication Panel convened under ITF Rules.*

G. Appeal

The ITF, the Player and/or the Related Person may appeal the Independent Tribunal's decision to the Court of Arbitration for Sport. The appeal proceedings shall be conducted in accordance with the CAS Code of Sports-related Arbitration, in the English language, and shall be governed by English Law.

V. MEDICAL CONTROL – ANTI-DOPING POLICY

Any Player, Player Support Personnel or other Person who enters or participates in the ITF Seniors Tour shall be bound by and shall comply with all of the provisions of the 2022 ITF Tennis Anti-Doping Programme.

The 2022 ITF Tennis Anti-Doping Programme is set out in full on the ITF website (www.itftennis.com/antidoping) and in a separate rulebook that is published and distributed by the ITF to all National Associations.

VI. TOURNAMENT OFFENCES

A. Applicability

This Article shall apply to each ITF Senior Tour Tournament and Applicant. References in this Article to a "Tournament" shall hereafter mean an ITF Senior Tour Tournament or applicant for such a tournament, and where applicable refers to the legal entity (personal or corporate) that is applying for, administering, operating, or otherwise organising the ITF Senior Tour Tournament.

B. Guarantees

The owner(s), operator(s), sponsor(s) or agent(s) of a Tournament shall not offer, give or pay money or anything of value, nor shall the Tournament permit any other person

or entity to offer, give or pay money or anything of value to a player, directly or indirectly, to influence or guarantee a player's appearance at a Tournament, other than prize money and permitted amateur expenses, unless authorised to do so by the Committee. Violation of this Section shall subject the Tournament to a fine up to \$5,000 plus the amount or value of any such payment, forfeiture of all sums, if any, previously paid to the ITF, and/or withdrawal of its sanction. In the event the ITF Executive Director believes that a Tournament may be violating this Section, then upon demand the Tournament must furnish or cause to be furnished to the ITF Executive Director or his agent, access to and copies of all records to which it has access relating in any way to such alleged guarantee, or, in the absence of such records, an affidavit setting forth the facts in detail with respect to any transaction under question by the ITF Executive Director.

C. Wild Cards

No Tournament, directly or indirectly, shall offer, give, solicit, receive, or accept, or agree to offer, give, solicit, receive, or accept anything of value in exchange for a Wild Card. Violation of this section shall subject the Tournament to a fine of up to \$5,000, forfeiture of all sums, if any, previously paid to the ITF, and/or withdrawal of its sanction.

D. Conduct Contrary to the Integrity of the Game

No Tournament, or any owner, promoter, or operator thereof, shall engage in conduct contrary to the integrity of the Sport.

Violation of this Section may subject the Tournament to a fine up to \$5,000, forfeiture of all sums, if any, previously paid to the ITF, and/or withdrawal of its sanction.

E. ITF Seniors Tour Rules

No Tournament shall violate any provisions of these ITF Senior Tour Rules. Violation of this Section shall subject the Tournament to a fine up to \$5,000, forfeiture of all sums, if any, previously paid to the ITF, and/or withdrawal of its sanction.

F. Late Cancellations

No Tournament shall cancel less than sixty (60) days prior to the scheduled commencement of the event.

Violation of this section may subject the Tournament to a fine up to \$5,000, reimbursement of unrecoverable expenses incurred, forfeiture of all sums, if any, previously paid to the ITF, and/or withdrawal of its sanction.

G. COVID-19 Protocols

A Tournament shall comply with the *ITF Return to International Tennis Protocols*, including without limitation the *Minimum Standard of Behaviour* (the ‘**Protocols**’). Any failure to comply with the Protocols shall amount to a violation of this Article VI.G. Violation of this Article VI.G shall subject the Tournament to a fine of up to \$5,000, forfeiture of all sums, if any, previously paid or due to the ITF, an order for reimbursement of unrecoverable expenses incurred by Covered Persons, withdrawal of its sanction and/or denial of subsequent applications to host.

H. Determination and Penalty

The ITF shall cause an investigation to be made of all facts concerning any alleged Tournament Offence by a Tournament and shall provide written notice of such investigation to the Tournament involved. The Tournament must cooperate fully with such investigations.

The ITF may make a written demand to a Tournament (a “Demand”) to furnish to the ITF any information that may evidence or lead to the discovery of evidence of a Tournament Offence, including (without limitation) requiring the Tournament to attend an interview and/or to provide a written statement setting forth its knowledge of the relevant facts and circumstances. The Tournament must furnish such information within seven business days of the making of such Demand, or within such other deadline as may be specified by the ITF.

Where, as the result of an investigation under this Article VI, the ITF forms the view that a Tournament has a case to answer for commission of a Tournament Offence, the ITF shall refer the matter to the Review Board.

Review Board

The ITF shall identify one or more individuals who are independent of the ITF and who have the expertise required by the nature of the particular case to form the Review Board and to review the evidence to determine whether there is a case to answer. The ITF shall send the entire dossier of evidence to the Review Board member(s). Where necessary, the Review Board may request that the ITF provide additional information for the Review Board's consideration. There shall be no obligation for the Review Board to meet in person to deliberate. However, any decision by the Review Board that the Player or other Person has a case to answer must be unanimous.

Where the Review Board concludes that there is no case to answer, then the ITF shall notify the Tournament and any other party with a right of appeal, and (subject to the rights of appeal) the matter shall not proceed any further.

When the Review Board determines that a Tournament has a case to answer, the ITF will send a written notice to the Tournament (the “Notice of Charge”), with a copy to the Chairman of the Independent Tribunal, setting out:

- (a) the Tournament Offence(s) alleged to have been committed, a summary of the facts upon which such allegations are based;
- (b) the potential consequences applicable if it is determined that the alleged Tournament Offence has been committed; and
- (c) the Tournament’s entitlement to respond to the Notice of Charge in one of the following ways:
 - (i) to admit the Tournament Offence(s) charged, and accede to the consequences specified in the Notice of Charge;
 - (ii) to admit the Tournament Offence (s) charged, but to dispute and/or seek to mitigate the consequences specified in the Notice of Charge, and to have the Independent Tribunal determine the consequences at a hearing; or
 - (iii) to deny the Tournament Offence (s) charged, and to have the Independent Tribunal determine the charge and (if the charge is upheld) any consequences, at a hearing;
- (d) if the Tournament wishes to exercise its right to a hearing before the Independent Tribunal, it must submit a written request for such a hearing so that it is received by the ITF as soon as possible, but in any event within 10 days of the Tournament's receipt of the Notice. The request must also state how the Tournament responds to the charge in the Notice and must explain (in summary form) the basis for such response. In the event no such response is received by that deadline, the Tournament will be deemed to have admitted the Tournament Offence(s) charged, and to have acceded to the consequences specified in the Notice of Charge.

In the event that the ITF withdraws the Notice of Charge, or the Tournament admits the Tournament Offence(s) charged and accedes to the consequences specified by the ITF (or is deemed to have done so), a hearing before the Independent Tribunal shall not be required. Instead, the ITF shall promptly issue a decision confirming (as applicable) its withdrawal of the Notice of Charge or the commission of the Tournament Offence(s) and the imposition of the specified consequences and shall send a copy of the decision to the tournament.

Hearing

If the tournament charged exercises its right to a hearing, the matter shall be referred to the Independent Tribunal and shall be resolved in accordance with the Independent Tribunal's Procedural Rules.

I. Payment of Fines

All fines levied by the Independent Tribunal shall be paid by the tournament to the ITF within thirty (30) days after receipt of written notice thereof.

J. Appeals

Any Tournament found to have committed a Tournament Offence may, after paying all fines as above provided, appeal the decision of the Independent Tribunal to the Court of Arbitration for Sport. The appeal proceedings shall be conducted in accordance with the CAS Code of Sports-related Arbitration, in the English language, and shall be governed by English Law.

VII. WELFARE POLICY

Covered Persons (as defined in the ITF Welfare Policy) that attend and/or participate on the ITF Seniors Tour shall be bound by and shall comply with the provisions of the Welfare Policy set out in Appendix IV.

VIII. RECIPROCITY

The ITF reserves the right to ask the ITF Internal Adjudication Panel to affirm, modify, extend or reject with respect to any or all ITF Seniors Tour tournaments a suspension or other sanction issued against a Covered Person (as defined in the ITF Welfare Policy, Appendix IV) either by or on behalf of the ITF pursuant to a conduct or disciplinary process under any ITF code or policy or by a tennis organisation (including but not limited to the Women's Tennis Association, Association of Tennis Professionals, the Grand Slam Board, and each member national association) or other relevant authority .

The ITF Internal Adjudication Panel shall have the right in its absolute discretion to share information concerning any complaint against a Covered Person with and/or conduct an investigation in conjunction with any other tennis organisation or any other relevant authorities. The ITF Internal Adjudication Panel may also refer the complaint and/or any information received during the course of investigating an allegation or prosecuting a charge to any authorities it considers appropriate in its absolute discretion. The ITF shall have the absolute discretion, where it deems appropriate, to stay its own investigation pending the outcome of investigations being conducted by any other tennis organisations and/or any relevant authorities.

A decision by the ITF Internal Adjudication Panel to affirm, modify or reject a suspension or other sanction issued against a Covered Person may be appealed by the Covered Person to the Independent Tribunal, which shall determine the matter in accordance with its Procedural Rules (save that there shall be no right of appeal against the Independent Tribunal's decision).

IX. INTERPRETATIONS

Any person or entity subject to this Code may file with the ITF Internal Adjudication Panel a request for an interpretation or clarification of the Code and/or its applicability and effect on a particular event or transaction.

6. All players must obtain an ITF Seniors IPIN membership to receive ITF ranking points from National Closed Championships.

7. Each National Association is permitted to have one National Closed Championships tournament on the ITF Seniors Tour Calendar per year.

Nations that hosted more than one National Closed Championships tournament per year when this Appendix was introduced may continue to host those pre-existing tournaments. In exceptional circumstances approved by the ITF, additional closed tournaments may be approved.

APPENDIX III

MEDICAL, EXTREME WEATHER CONDITIONS & TOILET/CHANGE OF ATTIRE BREAKS

MEDICAL

a. Medical Condition

A medical condition is a medical illness or a musculoskeletal injury that warrants medical evaluation and/or medical treatment by the Sports Physiotherapist (as defined in the ITF Guide to Recommended Health Care Standards) during the warm-up or the match.

- Treatable Medical Conditions
 - Acute medical condition: the sudden development of a medical illness or musculoskeletal injury during the warm-up or the match that requires immediate medical attention.
 - Non-acute medical condition: a medical illness or musculoskeletal injury that develops or is aggravated during the warm-up or the match and requires medical attention at the changeover or set break.

- Non-Treatable Medical Conditions
 - Any medical condition that cannot be treated appropriately, or that will not be improved by available medical treatment within the time allowed.
 - Any medical condition (inclusive of symptoms) that has not developed or has not been aggravated during the warm-up or the match.
 - General player fatigue.
 - Any medical condition requiring injections, or intravenous infusions, except for diabetes, for which prior medical certification has been obtained, and for which subcutaneous injections of insulin may be administered. The use of supplemental oxygen on-court is not permitted at any time.
 - Any medical condition requiring oxygen, unless prior medical approval has been given by the ITF. Except as permitted by this provision, the use of supplemental oxygen is not permitted at any time, for any reason.

b. Medical Evaluation

During the warm-up or the match, the player may request through the Chair Umpire for the Sports Physiotherapist to evaluate him/her during the next

change over or set break. Only in the case that a player develops an acute medical condition that necessitates an immediate stop in play may the player request through the Chair Umpire for the Sports Physiotherapist to evaluate him/her immediately.

The purpose of the medical evaluation is to determine if the player has developed a treatable medical condition and, if so, to determine when medical treatment is warranted. Such evaluation should be performed within a reasonable length of time, balancing player safety on the one hand, and continuous play on the other. At the discretion of the Sports Physiotherapist, such evaluation may be performed in conjunction with the Tournament Doctor, and may be performed off-court.*

If the Sports Physiotherapist determines that the player has a non-treatable medical condition, then the player will be advised that no medical treatment will be allowed.

c. Medical Time-Out

A Medical Time-Out is allowed by the Referee or Chair Umpire when the Sports Physiotherapist has evaluated the player and has determined that additional time for medical treatment is required. The Medical Time-Out takes place during a change over or set break, unless the Sports Physiotherapist determines that the player has developed an acute medical condition that requires immediate medical treatment.

The Medical Time-Out begins when the Sports Physiotherapist is ready to start treatment. At the discretion of the Sports Physiotherapist, treatment during a Medical Time-Out may take place off-court, and may proceed in conjunction with the Tournament Doctor.*

The Medical Time-Out is limited to three (3) minutes of treatment. However, at non-professional events the Referee may extend the time allowed for treatment if necessary.

A player is allowed one (1) Medical Time-Out for each distinct treatable medical condition. All clinical manifestations of heat illness shall be considered as one (1) treatable medical condition. All treatable musculoskeletal injuries that manifest as part of a kinetic chain continuum shall be considered as one (1) treatable medical condition.

Muscle Cramping: A player may receive treatment for muscle cramping only during the time allotted for change of ends and/or set breaks. Players may not receive a Medical Time-Out for muscle cramping.

In cases where there is doubt about whether the player suffers from an acute medical condition, non-acute medical condition inclusive of muscle cramping, or non-treatable medical condition, the decision of the Sports Physiotherapist, in conjunction with the Tournament Doctor, if appropriate, is final. If the Sports Physiotherapist believes that the player has heat illness, and if muscle cramping is one of the manifestations of heat illness, then the muscle cramping may only be treated as part of the recommended treatment by the Sports Physiotherapist for the heat illness condition.

Note:

A player who has stopped play by claiming an acute medical condition, but is determined by the Sports Physiotherapist and/or Tournament Doctor to have muscle cramping, shall be ordered by the Chair Umpire to resume play immediately.

If the player cannot continue playing due to severe muscle cramping, as determined by the Sports Physiotherapist and/or Tournament Doctor, he/she may forfeit the point(s)/game(s) needed to get to a change of end or set-break in order to receive treatment. There may be a total of two (2) additional change of ends treatments for muscle cramping in a match, not necessarily consecutive.

If it is determined by the Chair Umpire or Referee that gamesmanship was involved, then a Code Violation for Unsportsmanlike Conduct could be issued.

A total of two (2) consecutive Medical Time-Outs may be allowed by the Referee or Chair Umpire for the special circumstance in which the Sports Physiotherapist determines that the player has developed at least two (2) distinct acute and treatable medical conditions. This may include: a medical illness in conjunction with a musculoskeletal injury; two or more acute and distinct musculoskeletal injuries. In such cases, the Sports Physiotherapist will perform a medical evaluation for the two or more treatable medical conditions during a single evaluation and may then determine that two consecutive Medical Time-Outs are required.

d. Medical Treatment

A player may receive on-court medical treatment and/or supplies from the Sports Physiotherapist and/or Tournament Doctor during any changeover or set break. As a guideline, such medical treatment should be limited to two (2) changeovers/set breaks for each treatable medical condition, before or after a

Medical Time-Out, and need not be consecutive. Players may not receive medical treatment for non-treatable medical conditions.

e. Penalty

After completion of a Medical Time-Out or medical treatment, any delay in resumption of play shall be penalized by Code Violations for Delay of Game. Any player abuse of this Medical Rule will be subject to penalty in accordance with the Unsportsmanlike Conduct section of the Code of Conduct.

f. Bleeding

If a player is bleeding, the Chair Umpire must stop play as soon as possible, and the Sports Physiotherapist must be called to the court by the Chair Umpire for evaluation and treatment. The Sports Physiotherapist, in conjunction with the Tournament Doctor if appropriate, will evaluate the source of the bleeding, and will request a Medical Time-Out for treatment if necessary.

If requested by the Sports Physiotherapist and/or Tournament Doctor, the Referee or Chair Umpire may allow up to a total of five (5) minutes to assure control of the bleeding.

If blood has spilled onto the court or its immediate vicinity, play must not resume until the blood spill has been cleaned appropriately.

g. Vomiting

If a player is vomiting, the Chair Umpire must stop play if vomiting has spilled onto the court, or if the player requests medical evaluation. If the player requests medical evaluation, then the Sports Physiotherapist must determine if the player has a treatable medical condition, and if so, whether the medical condition is acute or non-acute.

If vomiting has spilled onto the court, play must not resume until the vomit spill has been cleaned appropriately.

h. Incapacity

If any concern arises about a player's medical condition (whether physical or psychological) that they are unable to compete, or they pose a serious health risk to players, officials or tournament organisers or staff, the Sports Physiotherapist and/or Tournament Doctor should be called to assist the player.

If the issues arises during a match the Chair Umpire should immediately call for the Tournament Doctor and/or Sports Physiotherapist to assist the player.

The Tournament Doctor is responsible for ensuring that the player is afforded the best medical attention, that his/her well-being is not put at risk, and that his/her medical condition is not a risk to other players or the public at large. All discussions between the Tournament Doctor and the player take place within the context of a doctor-patient relationship and are therefore confidential and may not be divulged to a third party without the informed consent of the player. However, if the Tournament Doctor determines that the player's medical condition makes the player unable to participate safely in the tournament, the player must permit the Tournament Doctor to advise the Referee of their determination (only disclosing medical information to which the player has consented). Upon receipt of such a report from the Referee will decide whether to retire the player from the match in progress or withdraw the player from the match to be played (as applicable). The Referee shall use great discretion before taking this action and should base the decision on the best interests of professional tennis, as well as taking all medical opinion and advice, and any other relevant information into consideration.

If the player's medical condition improves sufficiently to return to match play, the Tournament Doctor may inform the Referee accordingly. The player may subsequently compete in another event at the same tournament (e.g., doubles), either that day or on a subsequent day.

It is recognized that national laws or governmental or other binding Regulations imposed upon the tournament by authorities outside its control may require more compulsory participation by the Tournament Doctor in all decisions regarding diagnosis and treatment.

EXTREME WEATHER CONDITIONS

Extreme Weather Conditions

a. Definitions

Extreme Heat Condition: Modification of Play

Extreme Heat Condition: Modification of Play criterion is defined as when the Web-Bulb Globe Temperature (WBGT) on court meets or exceeds 30.1°C (86.2°F). If the WBGT cannot be measured, then the Heat Index should be calculated using the chart below, and Extreme Heat Condition: Modification of Play criterion is defined as when the Heat Index meets or exceeds 34.0°C (93.2°F).

Extreme Heat Condition: Suspension of Play

Extreme Heat Condition: Suspension of Play criterion is defined as when the WBGT on court meets or exceeds 32.2°C (90.0°F). If the WBGT cannot be measured, then the Heat Index should be calculated using the chart below, and Extreme Heat Condition: Suspension of Play criterion is defined as when the Heat Index meets or exceeds 40.1°C (104.2°F).

b. Measurement Procedure

The WBGT or Heat Index should be measured at least three (3) times daily by the Referee or his/her designee. Ideally, measurements should be taken every 2 hours, but a minimum three (3) readings should be taken at the following times:

1. 30 minutes before match play begins.
2. Middle of the scheduled day's play; and
3. Just prior to beginning the last match of the day, or just prior to the start of the first evening session match.

The WBGT or Heat Index should also be measured under the following circumstances:

1. Following any suspension of play; and
2. At the discretion of the Referee, in consultation with the Tournament Doctor and/or Sports Physiotherapist.

Details on the measurement of WBGT and Heat Index are provided in the current edition of the *ITF Guide to Recommended Health Care Standards for Tennis Tournaments*.

c. Extreme Heat Condition: Modification of Play

When the Extreme Heat Condition: Modification of Play criterion is met before the start or resumption of a match, the procedures set out below in sub-section (d) should be followed. For the avoidance of doubt, the Referee has the discretion to apply the procedures set out in sub-section (d) at a WBGT or Heat Index below the Extreme Heat

Condition: Modification of Play criterion, if in his or her opinion it is required in the safety and wellbeing of players, officials, spectators, or others.

If there is a change in weather conditions and the Extreme Heat Condition: Modification of Play criterion is met while a match is in progress, as determined by the periodic monitoring set out above in sub-section (b), the procedures set out below in sub-section (d) should be followed on all courts, including matches already in progress. Once notified that the Extreme Weather Condition: Modification of Play criterion is met, the Chair Umpire must inform the players at the next change of ends or set break.

If there is a change in weather conditions and the Extreme Heat Condition: Modification of Play criterion is no longer met, as determined by the periodic monitoring set out above in sub-section (b), those matches already in progress should continue to follow the procedures set out below in sub-section (d) until they are completed or suspended.

d. Modification of Play Procedures (Singles and Doubles)

A 10-minute break will be allowed between the second and third sets (in a best of 3 tie-break sets match only) if one or more of the players requests such a break. If neither/none of the players requests such a break, then play will continue.

However, if a match has already resumed following the suspension of play and one set was completed before the suspension of play (in a best of 3 sets match), the 10-minute break will no longer be available, unless otherwise decided by the Referee.

The Referee, in consultation with the Tournament Doctor/Sports Physiotherapist, may choose to delay the starting time for matches until such a time as the Extreme Heat Condition: Modification of Play criterion is no longer met.

- i. During the 10-minute break:
 - a. A Medical Evaluation, Medical Time-Out or Medical Treatment is not allowed, unless approved by the Referee. This would normally be restricted to requests for the Tournament Doctor/Sports Physiotherapist that are made on-court to the Chair Umpire, or were already agreed before the end of the second set (in a best of 3 sets match). However, a player is allowed to receive an adjustment of medical support, medical equipment and/or medical advice from the Tournament Doctor/Sports Physiotherapist during the 10-minute break.

- ii. Immediately following the 10-minute break:
 - a. Any delay in resumption of play will subject a player to Time Violations (Warning, Point Penalties only apply).
 - b. No re-warm up is allowed.
 - c. A player is not allowed to receive a Medical Evaluation, Medical Time-Out or Medical Treatment, unless approved by the Referee.

- iii. Consecutive Breaks

An Extreme Weather Condition: Modification of Play 10-minute break and a Bathroom/Change of Attire break cannot be taken consecutively.

- e. **Extreme Heat Condition: Suspension of Play (Singles and Doubles)**

When the Extreme Heat Condition: Suspension of Play criterion is met before the start or resumption of a match, the start or resumption of play should be suspended until Extreme Heat Condition: Suspension of Play criterion is no longer met. If a game is in progress when the Extreme Heat Condition: Suspension of Play criterion is met, play should be suspended at the end of that game. Once the Extreme Heat Condition: Suspension of Play criterion is no longer met, the Referee should give the players reasonable notice of the time at which play will resume. For the avoidance of doubt, the Referee has the discretion to suspend play at a WBGT or Heat Index below the Extreme Heat Condition: Suspension of Play criterion, if in his or her opinion it is required in the safety and wellbeing of players, officials, spectators or others.

- f. **Lightning**

The Referee or his/her designee is responsible for monitoring the local weather for lightning. The Referee has the authority to suspend play when a thunderstorm appears imminent (for instance if lightning is sighted and thunder occurs in 30 seconds or less). Everyone on-site should be advised to seek appropriate shelter immediately. Play should not resume until the likelihood of a lightning strike has passed (as a guideline, at least 30 minutes after the last lightning strike is seen and the last sound of thunder is heard). Additional information on thunderstorms and lightning is provided in the *ITF Guide to Recommended Health Care Standards for Tennis Tournaments*.

TOILET/CHANGE OF ATTIRE BREAK

A player is allowed to request permission to leave the court for a reasonable time for a toilet break / change of attire break (women's matches).

Toilet breaks should be taken on a set break. Change of attire (women's matches) breaks must be taken on a set break.

In women's singles events, a player is entitled to two (2) breaks during a match. In men's singles events, a player is entitled to one (1) toilet break.

In a doubles match, each team is entitled to a total of two (2) breaks.

If partners leave the court together, it counts as one (1) of the team's authorised breaks. These breaks may be taken for toilet visits, change of attire (women's matches), or both, but for no other reason whatsoever.

Any time a player leaves the court for a toilet break, it is considered one of the authorised breaks regardless of whether or not the opponent has left the court. Any toilet break taken after a warm-up has started is considered one of the authorised breaks. Additional breaks will be authorised but will be penalised in accordance with the point penalty schedule if the player is not ready to play within the allowed time.

The Referee shall have the authority to deny a player permission to leave the court during a match for a toilet and/or change of attire break if it is interpreted by the Referee as gamesmanship and/or flagrant abuse of the Rules.

A player should not take a toilet/change of attire break and a medical time out consecutively unless approved by the Referee.

A player may change her attire during a toilet break.

Any player abuse of this rule will be subject to penalty in accordance with the Unsportsmanlike Conduct section of the Code of Conduct.

APPENDIX V THE PLAYERS

Any reference to players in this Article shall apply to the Captain where appropriate.

1. Definition of “Good Standing” of a Player

Any player selected by a Nation to take part in the Young Seniors/Seniors/Super-Seniors World Team Championships must be of Good Standing. The National Tennis Association of the Nation for which the player is to be selected shall determine whether the player is of Good Standing before he/she is selected to take part in the Seniors/Super-Seniors World Team Championships. Any player that wishes to participate in any of the tournaments that comprise the 2022 ITF Seniors Tour must be of Good Standing.

A National Tennis Association shall deem a player to be of Good Standing where he/she:

(a) is free from a suspension imposed by his/her National Tennis Association, or by the ITF, or through the imposition of a suspension under a Code of Conduct accepted and approved by the ITF;

(b) is accepted by his National Tennis Association as being under its jurisdiction while competing in events for which his National Tennis association has selected him/her;

(c) makes himself/herself available for selection for Young Seniors/Seniors/Super-Seniors World Team Championships and accepts the jurisdiction of his National Tennis Association while competing in events for which they have selected him;

(d) respects the spirit of fair play and non-violence at all times;

(e) accepts the conditions of entry of the events he enters, including the conditions of any code of conduct adopted for those events and the terms and conditions contained in the IPIN registration system;

(f) agrees to undergo any medical control, including gender control and/or other tests, which are in operation at any event which he enters;

(g) has not been convicted by a competent court of a country of an offence:

(i) in respect of which an unsuspended sentence of at least 12 months was imposed; or

(ii) which involved any act or omission which would reasonably be considered to compromise the integrity of tennis, his National Tennis Association, the ITF and/or the safety of those taking part in and/or attending an ITF Seniors Tour tournament or Young Seniors / Seniors / Super-Seniors World Championships; and

(h) has not otherwise engaged in conduct which brings his/her National Tennis Association and/or the ITF into disrepute.

A player who fails to satisfy any of the criteria at (a)-(h) above but intends to be considered for selection, must establish to the satisfaction of his/her National Tennis Association that he/she is of Good Standing notwithstanding his/her failure.

Any Appeal against a final decision handed down by a National Tennis Association shall be lodged with the ITF Internal Adjudication Panel within 21 days of notification of the decision in question. Recourse may only be made to the ITF Internal Adjudication Panel after all other internal channels of appeal to a National Tennis Association have been exhausted. The decision of the ITF Internal Adjudication Panel shall be final and binding (and there shall be no further rights of appeal). The ITF Internal Adjudication Panel in its absolute discretion may set aside the determination of a National Tennis Association.

2. Definition of a “National”

A national of a country is a player who is eligible for and holds a passport of that country and for the purposes of Section II, Regulation 25, the tennis nationality of a player shall be:

- (a) In the case of a player who has represented a country, that of the country which he/she last represented.
- (b) In all other cases, that of the country which he/she is for the time being qualified to represent under Section II, Regulation 25.

3. Transgender

The ITF will deal with any cases involving transgender players in accordance with the principles set out in the ITF Transgender Policy, which can be found on the ITF website: www.itftennis.com

4. Proof of Nationality

The ITF may request from a player at any time a copy of their current, valid passport as proof of nationality.

APPENDIX VI DATA RIGHTS
