Provided the player withdraws before the Qualifying sign-in deadline (the applicable Late Withdrawal penalties apply), a player may be nominated to receive:

- Main Draw or Qualifying **Wild Card** into the same event as from which he/she **withdrew**, or

Tennis Europe Junior Tour

Player is nominated to receive a Wild Card offering higher event status:

- Moving from **Main Draw** to a **Main Draw** of a higher Category of the same or older Age Group

2. Sanction Fees

For the 2024 events the Sanction fees for 14 & 16 and Under are:

Super Category: EUR 950 (14/16&Under)

Category 1: EUR 600 for each Age Group (16&Under, 14&Under)

For the 2024 events the Sanction fees for 12 and Under are:

Category 2: EUR 400 (12&Under)

3. Unaccompanied minors

Unaccompanied minors (16 years old & Under) are not permitted to travel and access tournaments unaccompanied. Suspension penalties can be assigned if this regulation is not followed.

In any event, Tennis Europe, the National Association, the Tournament Organisation and any other entity/persons involved in the Tournament Organisation may not be held liable for and/or responsible for unaccompanied minors who remain under the sole responsibility of their parent(s) and/or legal guardian(s) and/or any person(s) appointed by them.

4. New Registration Scheme for Coaches & Accompanying Persons

From 2024, any coach/accompanying person traveling with a Junior player to a Tennis Europe Junior Tour event must be registered in the Tennis Europe system by creating an account.

The new registration does not mean that a coach/accompanying person will automatically be entitled to be part of a National Squad. These are nominated by National Associations only. All coaches/accompanying persons are accountable to their National Association. It is strongly recommended that even if you are not part of a National Squad that you still proceed with the registration.

5. Main Draw Sign in – 14/16 & Under Super Category and Category 1 tournaments

There will be no sign-in requirement for players accepted directly into the Main Draw at 14/16 & Under Super Category and Category 1 events. However, players should arrive the day before, and must be ready to play on the first day of the competition. Players who appear on the Singles Qualifying Acceptance list at the time of the Freeze Deadline are committed to play in the Qualifying event and to sign-in before 18.00 hours local time on the day before start of the Qualifying event.

For all other tournaments, each player accepted into the Main Draw/Qualifying (with the exception of Wild Cards who are in contact with the Tennis Europe Supervisor) must sign-in with the Tennis Europe Supervisor by 6.00 pm (18.00 hours, local time) the day before the start of the Main Draw.

Players should voluntarily approach the Tournament Organiser on-site to pay their entry upon arrival at the tournament site.

6. Tennis Europe Junior ranking

The professional rankings from the previous week are taken into consideration for players turning 15 and 16 years during the year. For boys 1000% of the ATP Ranking singles points are added, and for girls 300% of the WTA singles points are added.
